To: Mayor William D. Euille, Vice Mayor Allison Silberberg, and  
Council Members John T. Chapman, Timothy B. Lovain,  
Redella S. "Del" Pepper, Paul C. Smedberg, and Justin Wilson

We, the undersigned, petition the Mayor and City Council of Alexandria, Virginia, to support the following actions on the proposed Alexandria Library Budget for Fiscal Year 2014:

- **Approve the proposed funding of \$57,744** for a night-time cleaning contract for custodial services three days a week at Beatley Central and the three Library branches at Barrett, Burke, and Duncan;
- **Approve the proposal to spend \$565,000 in capital improvement funds** to make Beatley Central safer and cleaner by replacing the Library's carpet and correcting extensive water problems that are seriously damaging the facility's infrastructure and harming the delivery of library services;
- **Reject the proposal to reduce the Library's budget by \$56,000** for buying books, ebooks, DVDs, and CDs – this funding cut will interfere with Library's ability to keep pace with growing demand for ebooks and other materials and meet their escalating costs;
- **Reject the proposal to reduce service hours** at the Library's branches.

We, the undersigned, petition the Mayor and City Council of Alexandria, Virginia, to support the following actions on the proposed Alexandria Library Budget for Fiscal Year 2014:

- **Approve the proposed funding of \$57,744** for a night-time cleaning contract for custodial services three days a week at Beatley Central and the three Library branches at Barrett, Burke, and Duncan;
- **Approve the proposal to spend \$565,000 in capital improvement funds** to make Beatley Central safer and cleaner by replacing the Library's carpet and correcting extensive water problems that are seriously damaging the facility's infrastructure and harming the delivery of library services;
- **Reject the proposal to reduce the Library's budget by \$56,000** for buying books, ebooks, DVDs, and CDs – this funding cut will interfere with Library's ability to keep pace with growing demand for ebooks and other materials and meet their escalating costs;
- **Reject the proposal to reduce service hours** at the Library's branches.

We, the undersigned, petition the Mayor and City Council of Alexandria, Virginia, to support the following actions on the proposed Alexandria Library Budget for Fiscal Year 2014:

- **Approve the proposed funding of \$57,744** for a night-time cleaning contract for custodial services three days a week at Beatley Central and the three Library branches at Barrett, Burke, and Duncan;
- **Approve the proposal to spend \$565,000 in capital improvement funds** to make Beatley Central safer and cleaner by replacing the Library's carpet and correcting extensive water problems that are seriously damaging the facility's infrastructure and harming the delivery of library services;
- **Reject the proposal to reduce the Library's budget by \$56,000** for buying books, ebooks, DVDs, and CDs – this funding cut will interfere with Library's ability to keep pace with growing demand for ebooks and other materials and meet their escalating costs;
- **Reject the proposal to reduce service hours** at the Library's branches.

We, the undersigned, petition the Mayor and City Council of Alexandria, Virginia, to support the following actions on the proposed Alexandria Library Budget for Fiscal Year 2014:

- **Approve the proposed funding of \$57,744** for a night-time cleaning contract for custodial services three days a week at Beatley Central and the three Library branches at Barrett, Burke, and Duncan;
- **Approve the proposal to spend \$565,000 in capital improvement funds** to make Beatley Central safer and cleaner by replacing the Library's carpet and correcting extensive water problems that are seriously damaging the facility's infrastructure and harming the delivery of library services;
- **Reject the proposal to reduce the Library's budget by \$56,000** for buying books, ebooks, DVDs, and CDs – this funding cut will interfere with Library's ability to keep pace with growing demand for ebooks and other materials and meet their escalating costs;
- **Reject the proposal to reduce service hours** at the Library's branches.
