Hello Jackie:

Please accept my apologies for the brief recommendation. I was at the hospital yesterday with my mom who had surgery. I had limited access to email.

Here's a better letter for Bill:

June 19, 2013

To Whom It May Concern:

I highly recommend William (Bill) Smith to continue to serve as a member of the Alexandria Commission on HIV AIDS. Bill has successfully served as a liaison between the Alexandria Commission for Women and the Alexandria Commission on HIV AIDS. He was recently elected to serve as a Vice Chair of the Commission for Women.

I believe that the combination of Bill's background and professional work will be a valuable asset to the ongoing work of the Alexandria Commission on HIV AIDS. I ask that you vote for Bill to serve as a member the Alexandria Commission on HIV AIDS.

Sincerely,

Camille F. Leverett
2nd Vice Chair 2012-2013
Incoming Chair 2013-2014
Alexandria Commission for Women
