Special Use Permit #2018-0007

6 Prince Street

I. DISCUSSION

The applicant, Misha's at Six Prince Inc., requests Special Use Permit approval to operate a restaurant at 6 Prince Street.

SITE DESCRIPTION

The subject site is one lot of record that is developed with a single-story brick commercial building that covers the entire lot. The lot has approximately 30 feet of frontage on Prince Street, and a depth of approximately 34 feet for a total lot area of 1,020 square feet. The building has previously housed retail uses, most recently Olde Towne Gemstones.

The subject site is surrounded by commercial uses including Big Wheel Bikes to the east, Chadwicks to the southeast, the Old Dominion Boat Club to the east, small offices to the west, and the Strand Building to the north which houses multiple commercial uses. Though not immediately adjacent, residential areas are nearby on the 100 block of Prince Street.

Figure 1: The subject site

BACKGROUND

The subject site has housed retail establishments over the years, and this proposal reflects its first Special Use Permit request. No Zoning or Code violations exist for the property.

PROPOSAL

The applicant proposes operating a 28-indoor seat restaurant at the subject site. The applicant proposes operating hours of 6 a.m. – 8 p.m., Sunday through Thursday and 6 a.m. – 10 p.m. Friday and Saturday. The applicant proposes to sell coffee, beverages, and baked goods. The applicant does not propose coffee roasting or baking on-site. The applicant originally submitted an application that would include outdoor dining, however the applicant withdrew the request as an encroachment into the public right-of-way is required. The applicant will submit an encroachment and outdoor dining request at a later date.

Elements of the proposal are:

<u>Hours of Operation:</u>	6 a.m. – 8 p.m., Sunday – Thursday 6 a.m. – 10 p.m., Friday – Saturday
<u>Number of Seats:</u>	28 indoor seats
<u>Type of Service:</u>	Carry-out and dine-in
<u>Alcohol Sales:</u>	None
<u>Delivery:</u>	No delivery service of food to customers
<u>Live Entertainment:</u>	No live entertainment
<u>Trash:</u>	Five to 10 bags of trash are expected to be generated and consist primarily of paper products and food wrappers.
<u>Litter:</u>	Litter would primarily consist of paper products. The applicant proposes placing trash receptacles inside the restaurant and employees would manage litter produced by patrons.
<u>Noise:</u>	Minimal noise is expected to be generated from patrons and coffee brewing equipment.

PARKING

The restaurant is located in the City's Central Business District (CBD). Section 8-300(B) of the Zoning Ordinance exempts restaurants in the CBD from parking requirements. The applicant meets the Zoning Ordinance requirement for parking.

ZONING/MASTER PLAN DESIGNATION

The site is zoned W-1 / Waterfront Mixed Use. The restaurant is permitted with Special Use Permit approval in the W-1 zone.

The proposed restaurant is within the boundaries of the Old Town Small Area Plan section of the Master Plan. It is also within the Waterfront Plan area which encourages active uses and amenities along the waterfront such as stores, restaurants, waterfront dining, enhanced parks and public spaces, and programmed activities.

The site is also within the Old and Historic District and subject to additional regulations pertaining to exterior alterations including but not limited to lighting, signage, and exterior vents.

II. STAFF ANALYSIS

Staff recommends approval of the Special Use Permit request for a restaurant at 6 Prince Street. The proposed use would generate additional activity to support the Waterfront Plan as it would contribute to activating the area. The proposed restaurant would be located in an area that calls for active ground floor uses.

Staff has also analyzed the request according to the requirements of Old Town Restaurant Policy:

Parking

The use complies with the Central Business District and is not required to provide parking. The applicant's business would unlikely generate additional parking due to the small nature of the business, the presence of multi-modal transportation (DASH bus, Metro and King Street Trolley) and the walkability of the location to nearby neighborhoods. It would unlikely to generate unique driving trips, given that patrons would be also visiting the waterfront and other businesses in Old Town. In addition to conditions requiring employees to park off-street (Condition #21), encouraging employees to take public transportation (Condition #22), direct patrons to off-street parking and participating in any coordinated parking program formed as a result of parking strategies from the Old Town Area Parking Study (Condition #23). Also of note, the 100 block of Prince Street participates in a pay-by-phone program which requires non-residents to pay by the hour for parking.

Litter

Staff also notes that in this area of Old Town there are street trash cans, including at the corner of Prince Street and The Strand, throughout the Waterfront Park, the corner of South Union and Duke Streets, along South Union Street, and along King Street to accommodate patrons who carry-out their beverages and baked goods. Nevertheless, staff has included conditions designed to mitigate the potential impact of littering, including requiring the area to be monitored for litter and trash three times a day (Condition #20) and the presence of trash cans inside the operation (Condition #10) to accommodate dine-in patrons.

Alcohol and Late-Night Hours

The applicant does not propose late night hours or alcohol sales, and staff does not anticipate the development of activities commonly associated with late-night establishments. Given the lack of potential impacts, staff has added included the hours of operation of 6 a.m. to 12 a.m. in Condition #2 to provide the applicant with flexibility for the implementation of its business plan.

Diversity of Uses

This area of Old Town does not have a dense concentration of commercial uses as is typical of King Street. Though this use replaces a retail operation, the addition of a small-scale coffee shop would contribute to the vitality of the redeveloped waterfront area as the Waterfront Plan is implemented.

Additional Consideration

Staff has also included conditions requiring the applicant to abide by the Noise Ordinance (Condition #19), delivery hours (Condition #18), and prohibiting the usage of detergents when power washing the building (Condition #11) and ensuring any chemicals or other materials are disposed of in accordance with local, state, and federal law (Condition #17).

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

The owner is responsible for ensuring that the following conditions are adhered to at all times. Violation of any of the conditions may result in fines and/or referral by the Director to public hearing by the Planning Commission and City Council.

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The hours of operation for the restaurant shall be 6 a.m. to 12 a.m., daily. Meals ordered before 12 a.m. may be served, but no new patrons may be admitted and all patrons must leave by 1 a.m., daily. (P&Z)
3. The maximum number of indoor seats at the restaurant shall be 28 seats. (P&Z)
4. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
5. No live entertainment shall be permitted. (P&Z)
6. No customer delivery service shall be available from the restaurant. (P&Z)
7. On and off-premises alcohol sales are not permitted. (P&Z)
8. No outdoor dining is permitted at the restaurant. (P&Z)
9. No food, beverages, or other material shall be stored outside, with the exception of materials specified in other conditions. (P&Z)
10. The applicant shall ensure a trash receptacle is available inside the restaurant for patron use. (P&Z)
11. Exterior power washing of the building shall not be completed using any kind of detergents. (T&ES)
12. Chemicals, detergents or cleaners stored outside the building shall be kept in an enclosure with a roof. (T&ES)

13. If used cooking oil is stored outside, the drum shall be kept securely closed with a bung when not receiving used oil, it shall be placed on secondary containment, and it shall be kept under cover to prevent rainwater from falling on it. (T&ES)
14. Trash and garbage shall be stored inside or in sealed containers that do not allow odors to escape, invasion by animals, or leaking. No trash or debris shall be allowed to accumulate outside of those containers. Outdoor containers shall be maintained to the satisfaction of the Directors of P&Z and T&ES, including replacing damaged lids and repairing/replacing damaged dumpsters. (P&Z) (T&ES)
15. Kitchen equipment, including floor mats, shall not be cleaned outside, nor shall any cooking residue or wash water be washed into the streets, alleys or storm sewers. (T&ES)
16. The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
17. All waste products including but not limited to organic compounds (solvents and cleaners) shall be disposed of in accordance with all local, state and federal ordinances or regulations. (T&ES)
18. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
19. The use must comply with the city's noise ordinance. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
20. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
21. The applicant shall require its employees who drive to use off-street parking. (T&ES)
22. The applicant shall encourage its employees to use public transportation to travel to and from work. The business shall contact Go Alex at goalex@alexandriava.gov for information on establishing an employee transportation benefits program. (T&ES)

23. The applicant shall direct patrons to the availability of parking at nearby public garages and shall participate in any organized program to assist with both employee and customer parking for businesses that is formed as a result of suggested parking strategies in the King Street Retail Strategy (Old Town Area Parking Study). (T&ES)
24. The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Go Alex at goalex@alexandriava.gov for more information about available resources. (T&ES)
25. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements. (P&Z)
26. All windows shall remain transparent. The placement or construction of items that block the visibility through windows of the interior of the commercial space from the street and sidewalk, including but not limited to walls, window film, storage cabinets, carts, shelving, boxes, coat racks, storage bins, and closets, shall be prohibited. This is not intended to prevent retailers from displaying their goods in display cases that are oriented towards the street frontage. (P&Z)
27. The Director of Planning and Zoning shall review the special use permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Madeleine Sims, madeleine.sims@alexandriava.gov
Ann Horowitz, ann.horowitz@alexandriava.gov
Mary Christesen, mary.christesen@alexandriava.gov

Staff Note: In accordance with section 11-506(c) of the zoning ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a special use permit by City Council or the special use permit shall become void.
