

# SUP#2016-0028

5261 Eisenhower Avenue

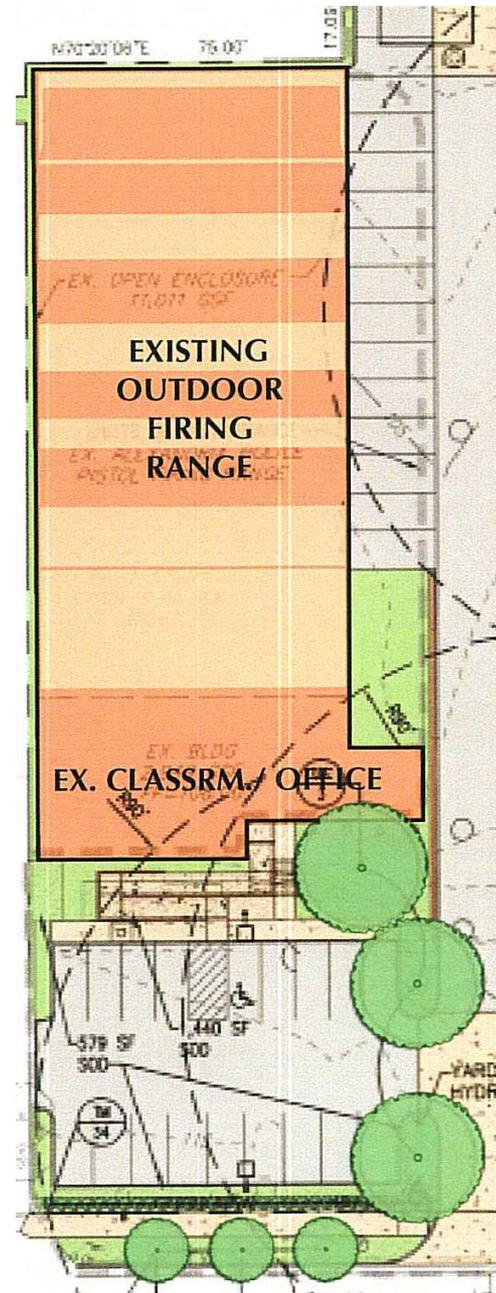

Alexandria Police Department Firearms Training Range

- General Services Department requests to expand the facility by 1,177 square feet to mitigate lead exposure impacts on Police staff.

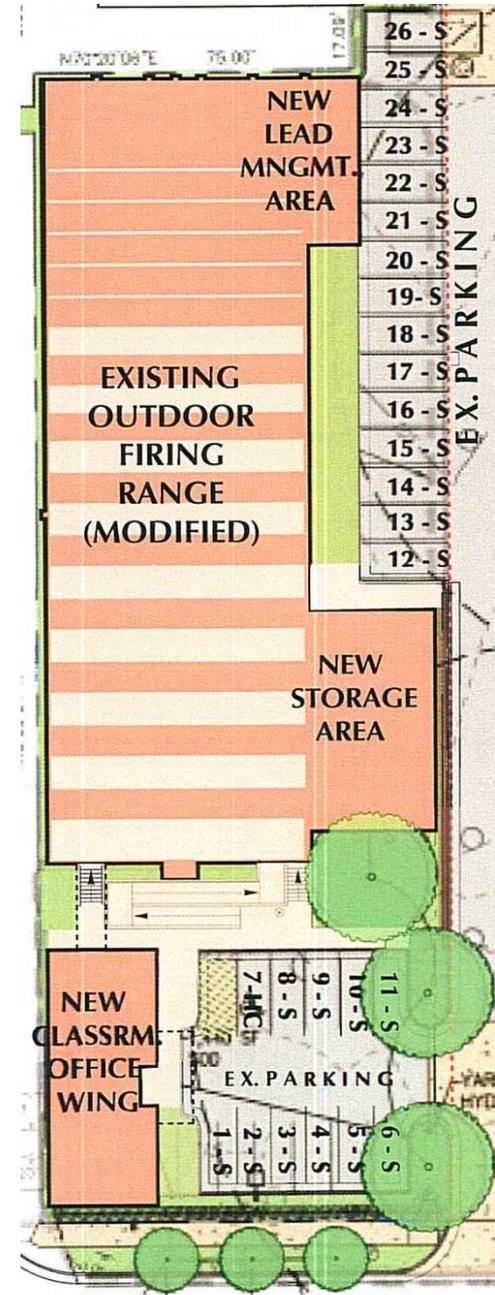

# Existing Facility

- 14,000 sq. ft.
- Firing area, staff office, classroom, and cleaning area in one space

# Proposed Expansion

- 15,177 total sq. ft. with addition
- Areas of lead exposure separated from non-lead generating areas
- Maintains 26 parking spaces

# Noise Impacts and Proposed Mitigation

## *Police:*

- Notify neighbors of evening training schedules through social media.
- Schedule low-light training exercises as early as possible in evenings.
- Consolidate rifle training in February and March.

## *General Services:*

- Develop a noise study during the design phase.

# Planning Commission recommends:

1. Addition of Condition 9:  
The applicant shall optimize operations of the use to limit noise impacts on nearby residential areas.
2. APPROVAL
