City Council Public Hearing

March 15, 2025

Agenda

1. Summary
2. Background
3. Discussion and Recommendation

Summary

Request

- Update City's sign regulations

Council Action

- Approve or deny

Key Elements of the Discussion

- Greater clarity and consistency
- Allow digital signs with staff-level approval
- Increase sign size allowances to be more in line with both neighboring jurisdictions and past approval
- Streamline sign approval process

Background Information

- May 2016: last comprehensive update to sign regulations
- March 2022: Planning Commission requested that staff review the City's digital sign regulations
- May 2023: staff presented digital sign policy updates to Planning Commission and proposed a more comprehensive update to the sign regulations

Organization, clarity, and conciseness

- Definitions
- Remove redundant regulations
- Re-organize into chart

Example of current sign regulations

9-202 - Commercial, special, overlay, and mixed use district signs.

(A) *Generally*: Except as provided otherwise in this article, the following signs are permitted as accessory uses in the CC, CD, CDX, CG, CL, CR, CSL, KR, NR, CRMU-L, CRMU/M, CRMU/H, CRMU/X, OC, OCH, OCM(50), OCM(100), CDD, and W-1 zones.

i. Flags:

1. *Number and size limits*: One flag per 20 feet (or portion thereof) of lot width with a maximum size of 24 square feet for each flag. The area used for flags shall be deducted from area allowed for permanent wall signage or other temporary wall signage, as permitted in section 9-202(A)ii.1.a or b or in sections 9-201(A)iii.6 or 9-201(A)iii.7.
2. *Mounting and installation regulations*: Freestanding flags may only be attached to a pole less than 35 feet in height. Wall mounted flags may only be on a projecting pole no longer than six feet or may be mounted flat against the wall or on a window provided that the flag does not cover more than 20 percent of the glazing area of the window where it is installed. The clearance under a projecting wall mounted flag shall not be less than eight feet directly below the location where the flag is mounted.

ii. Temporary signs:

1. *Number, size and time limits*:

- a. A maximum of one sign with a maximum size of one square foot for each linear foot of building width for the wall on which the sign is mounted per frontage on a street, alley, or parking lot only when located on property where a building permit is active. Such sign shall be wall mounted and may only be mounted flat against the wall or installed as a window sign. The area allowed for this temporary signage shall be deducted from area allowed for permanent wall signage or other temporary wall signage, as permitted in section 9-

Proposed chart
