These events focus attention on the members’ efforts to improve the environment by minimizing their footprint. The ceremonies also emphasize the positive partnership shared by DEQ and its VEEP members and highlight the individuals who commit to reduce their facility’s impact, as well as the administrators and managers who support them.

The City of Alexandria’s Dept. of Recreation, Parks and Cultural Activities (RPCA) is honored to be awarded the Exemplary Environmental Enterprise (E-3) certification by the Virginia Dept. of Environmental Quality. The award was based upon the Department’s development and implementation of its Environmental Sustainability Management System (ESMS) and the associated Environmental Policy.”
