

Recommended Positions on Bills of Importance to the City

February 11, 2018

HB 241 Adoption; lowers amount of time child must reside with close relative.

Patron: Brewer

Summary as introduced:

Close relative adoption. Lowers from three years to two years the amount of time a child must have continuously resided with or been under the physical custody of the prospective close relative adoptive parent in order for the adoption proceeding to commence in circuit court and be exempt from the parental placement provisions.

02/06/18 Passed House and Senate

Notes: City Position: Support

HB 418 Adoption; circuit court to accept a petition filed by child's foster parent.

Patron: Carroll Foy

Summary as introduced:

Adoption by foster parent. Directs a circuit court to accept a petition for adoption filed by the child's foster parent and to order a thorough investigation if (i) the child-placing agency holding custody of the child consents to the adoption after the child has resided in the home of such foster parent continuously for at least six months and (ii) the birth parents' rights to the child have been terminated. Current law requires a circuit court to accept such petition in such circumstances only after the child has resided in the home of such foster parent continuously for at least 18 months. The bill provides that after the child has resided in the home of the foster parent continuously for at least 18 months, the consent of the child-placing agency holding custody of the child is no longer needed in order to require the court to accept the petition and order an investigation. The bill contains an emergency clause.

HB 765 Transportation processes in the Commonwealth; responsibilities of transportation entities, funding.

Patrons: Jones, S.C. and Torian

Summary as introduced:

Transportation processes in the Commonwealth; responsibilities of transportation entities; funding. Expands the responsibilities of the Office of Intermodal Planning and Investment of the Secretary of Transportation (Office). The bill clarifies the residency requirements for the urban and rural at-large members of the Commonwealth Transportation Board (Board) and provides that no member of a governing body of a locality is eligible to be appointed to the Board during his term of office. The bill provides that the Board's Six-Year Improvement Program shall only commit funds from the State of Good Repair Program, the High Priority Projects Program, or the Construction District Grant Programs to a project or program if such commitment is sufficient to complete the project or program. The bill expands the requirements of the annual report provided by the Commissioner of Highways and requires the Office to submit an annual report as described in the bill. The bill decreases the maximum matching allocation that the Board may make to a locality from \$10 million to \$5 million and provides that such funds can be used for the maintenance of highway systems. The bill changes the amount of Commonwealth funds allocated to the Board for revenue-sharing from no less than \$15 million and no more than \$200 million to not in excess of \$100 million or seven percent of funds available for distribution by the Board from all funds made available for highway purposes, whichever is greater.

SB 539 Child day programs; exemptions from licensure, removes certain programs from list.

Patron: Hanger

Summary as introduced:

Child day programs; exemptions from licensure. Removes certain programs from the list of child day programs exempt from licensure and clarifies that such programs are not considered

child day programs and therefore are not subject to licensure. The bill also modifies the terms of certain child day programs that remain listed as exempt from licensure and requires that such programs (i) file with the Commissioner of Social Services (the Commissioner), prior to beginning operation of a child day program and annually thereafter, a statement indicating the intent to operate a child day program, identifying the Code provision relied upon for exemption from licensure, and certifying that the child day program has disclosed to the parents of children in the program the fact that it is exempt from licensure; (ii) report to the Commissioner all incidents involving serious injury or death to children attending the child day program; (iii) have a person trained and certified in first aid and cardiopulmonary resuscitation (CPR) present at the child day program; (iv) comply with background check requirements established by regulations of the Board of Social Services (the Board); (v) maintain daily attendance records; (vi) have an emergency preparedness plan in place; (vii) comply with all applicable laws and regulations governing transportation of children; (viii) comply with certain safe sleep practices for infants; and (ix) post in a visible location notice that the program is not licensed by the Department of Social Services and only certifies basic health and safety requirements. The bill exempts from licensure any program offered by a local school division, operated for no more than four hours per day, staffed by local school division employees, and attended by school-age children who are enrolled in public school within such school division. The bill also modifies staffing ratios for religious-exempt child day centers. The bill directs (a) the Board to promulgate regulations to implement the provisions of the bill and (b) the Commissioner to establish a process to inspect child day programs exempt from licensure and a process to gather and track aggregate data regarding child injuries and deaths that occur at such child day programs. The bill has a delayed effective date of July 1, 2019.

SB 993 Local planning commissions; proposed plats.

Patron: Reeves

Summary as introduced:

Local planning commissions; proposed plats. Reduces from 60 days to 45 days the time within which a local planning commission shall act on a proposed plat, site plan, or plan of development after it has been officially submitted for approval. The bill prohibits a local planning commission from delaying the official submission of any proposed plat, site plan, or plan of development by requiring presubmission conferences, meetings, or reviews. The bill also reduces from 45 days to 30 days of receipt of the plat the time within which any state agency or public authority making a review of a plat shall complete its review upon first submission or for any proposed plat that has previously been disapproved. The bill eliminates exemptions (i) for deficiencies caused by changes, errors, or omissions occurring in the applicant's plat, site plan, or plan of development filings after the initial submission of such plat, site plan, or plan of development and (ii) from the review and approval of construction plans.
