Subject: FOR CONSIDERATION FOR TONIGHT'S MEETING

Hi everyone,

For approval of the June 11th minutes at tonight's meeting, I would like to make a slight change on page 15 regarding the Alexandria Parks Foundation.

After the staff report, and prior to the paragraph that begins with "There was discussion...", I would suggest adding the following sentence for clarification for fur:

Vice Mayor Silberberg proposed an idea that Alexandria establish the Alexandria Parks Foundation, which would give citizens an easy, tax-deductible way to support the city's parks, the open space fund, and the tree canopy. The Alexandria Parks Foundation would be under the auspices of ACT for Alexandria.

Many thanks for your consideration.

My best,

Allison
