PLANNING COMMISSION ACTION, NOVEMBER 6, 2025: On a motion by Vice Chair Koenig, seconded by Commissioner Manor, the Planning Commission voted to approve SUB #2025-00005 by unanimous consent.

I. DISCUSSION

The applicant, Classic Cottages, LLC, requests approval to subdivide the existing lot at 3102 Wilson Avenue into two lots. Staff recommends approval of the subdivision request.

SITE DESCRIPTION

The subject property, featured in Figure 1, below, contains one rectangular lot of record, addressed 3102 Wilson Avenue. The property has a lot size of 8,680 square feet, a lot width of 66.13 feet, and a lot frontage of 66.13 feet. Single unit dwellings, two-unit semi-detached dwellings, and townhome dwellings along with some multi-unit dwellings, surround the subject property. There is currently a single-unit dwelling occupying the property that, according to Real Estate records, was built in 1915.

Figure 1 - Subject property

SUBDIVISION BACKGROUND

The subject lot is part of the original St. Elmo Subdivision; see Figure 2, below. The lots in this section of the St. Elmo have been re-subdivided multiple times since the 1894 original subdivision. It was first resubdivided in 1948; see Figure 3, below. On April 6, 1950, the subject property, Lot 603, was created through a re-subdivision which created new lots with a variety of lot shapes, widths, frontages, and areas; see Figure 4, below. Other lots in this corner of St. Elmo Subdivision also have been re-subdivided over time; see Figure 5, below.

PROPOSAL

The applicant requests approval to subdivide Existing Lot 603 into two lots suitable to be developed with a two-unit semi-detached dwelling. Proposed Lot 5603 would have 30 feet of frontage and would have a total size of 4,294 square feet. Proposed Lot 5604 would have 36.13 feet of frontage and would have a total size of 4,386 square feet. Both lots would be irregular in shape. The existing dwelling would be demolished. Existing and proposed lots are shown in Figures 6 and 7, below.

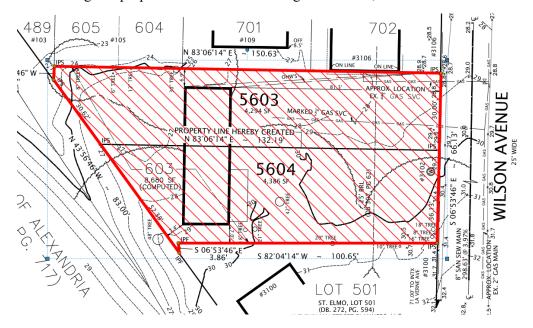

Figure 6 – Existing Lot 603

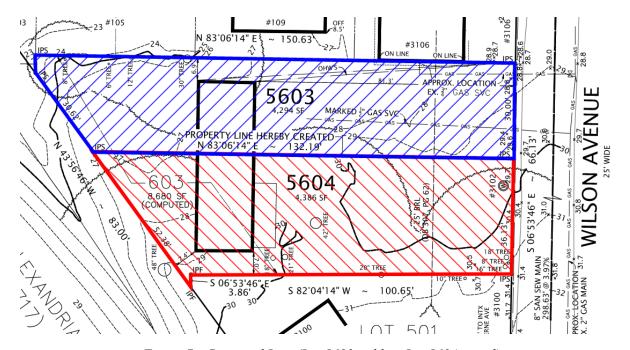

Figure 7 – Proposed Lots (Lot 5603 in blue, Lot 5604 in red)

ZONING/MASTER PLAN DESIGNATION

The subject property is zoned R-2-5 Residential and both proposed lots would comply with lot requirements for a semi-detached, two-unit dwelling, as shown in Table 1. The R-2-5 zone also permits single-unit dwellings. The proposed lots, however, could not be used for single-unit dwellings as they would not meet the minimum lot size, width, nor frontage requirements. If approved, the re-subdivided lots could only be used for a semi-detached dwelling since all future development must comply with all lot, bulk, and other applicable regulations of the Zoning Ordinance.

The property is located within the Potomac West Small Area Plan Chapter of the Alexandria Master Plan, which designates the property for low-to-medium-density residential uses consistent with the R-2-5 zoning regulations. The proposed lots would comply with the Potomac West Small Area Plan as they would be suitable for low-to-medium-density residential uses and would comply with all R-2-5 zoning requirements for semi-detached, two-unit dwellings.

II. STAFF ANALYSIS

Staff recommends approval of the applicant's subdivision request. The proposal would create lots that comply with R-2-5 zoning requirements for semi-detached, two-unit dwellings and subdivision requirements. The proposed lots would be substantially the same character as the lots in the original subdivision, including similarly situated lots, in terms of lot shape, size, width, and frontage, as required by Section 11-1710(B). Staff analysis follows.

COMPLIANCE WITH SUBDIVISION REQUIREMENTS GENERALLY

Staff determined that the proposed re-subdivision would meet all subdivision requirements established by <u>section 11-1710</u>. Both lots would be suitable for semi-detached, two-unit residential uses and structures permitted by the R-2-5 zone. The proposed lots would meet the R-2-5 frontage requirement which ensures that both lots would provide adequate vehicular, including emergency vehicles, and utility access.

COMPLIANCE WITH SUBDIVISION CHARACTER REQUIREMENTS

The northwest corner section of the St. Elmo Subdivision has multiple lots that contain semi-detached two-unit dwellings. The proposed subdivision would re-subdivide the original lot into two new lots and would allow for development with a semi-detached, two-family dwelling. Section 11-1710(B)(1) states that, in determining compatibility of proposed lots, the Planning Commission may consider re-subdivisions within the original subdivision area. There has been a previous subdivision within this section of St. Elmo at 205/205A La Verne that also resulted in a semi-detached two-unit dwelling. Given this, the proposal would be consistent in terms of lot size, width, and frontage to the other lots.

LOT ANALYSIS

Staff's area of comparison includes the lots the adjoining portions in the northwest corner of the St. Elmo subdivision. The area of comparison is shown in Figure 7, below. The original 1950 subdivision that created the subject lot today consists of residential properties.

Figure 7 – Area of Comparison (subject property in blue)

Staff considers the following properties outlined in Figure 8, below, as the most similarly situated to the subject property as they are adjoining portions of St. Elmo Subdivision, zoned R-2-5, and are interior lots.

Figure 8 – Similarly Situated Lots in blue, subject property in red

Table 2, below, shows how the proposed lots would compare to these similarly situated lots in terms of width, frontage, and size:

Table 2 – Lot Analysis

Address	Width	Frontage	Area

202A La Verne Ave	25 Ft.	25 Ft.	2,750 Sq. Ft.
203 La Verne Ave	50 Ft.	50 Ft.	8,362 Sq. Ft.

204 La Verne Ave.	50 Ft.	50 Ft.	5,500 Sq. Ft.
205 La Verne Ave.	25 Ft.	25 Ft.	3,000 Sq. Ft.
205A La Verne Ave.	25 Ft.	25 Ft.	3,000 Sq. Ft.
206 La Verne Ave.	75 Ft.	75 Ft.	9,748 Sq. Ft.
207 La Verne Ave.	50 Ft.	50 Ft.	5,999 Sq. Ft.
208 La Verne Ave.	75 Ft.	75 Ft.	8,250 Sq. Ft.
209 La Verne Ave.	50 Ft.	50 Ft.	5,999 Sq. Ft.
211 La Verne Ave.	50 Ft.	50 Ft.	5,999 Sq. Ft.
200 Clifford Ave.	43.5 Ft.	20.37 Ft.	5,422 Sq. Ft.
200A Clifford Ave.	25 Ft.	25 Ft.	3,000 Sq. Ft.
202 Clifford Ave.	50 Ft.	50 Ft.	6,000 Sq. Ft.
204 Clifford Ave.	50 Ft.	50 Ft.	6,000 Sq. Ft.
206 Clifford Ave.	37.5 Ft.	37.5 Ft.	4,500 Sq. Ft.
208 Clifford Ave.	37.5 Ft.	37.5 Ft.	4,500 Sq. Ft.

Because the proposed lots would be well within the ranges of widths, frontages, and areas of similarly situated lots within the original subdivision, staff considers the proposal to be substantially compatible with established neighborhood character as required by section 11-1710(B). The proposed lots would also comply with the R-2-5 zone requirements for semi-detached two-family dwellings only. The R-2-5 zone's minimum lot size and width requirements ensure that properties within the zone are suitable for low-to-medium-density residential uses as required by the Potomac West Small Area Plan Chapter of the City's Master Plan.

NEIGHBORHOOD OUTREACH AND COMMENTS

Staff notified the Del Ray Citizens Association on September 25, 2025. At the time of publication, staff had not received comments or questions from the association.

III. CONCLUSION

In summary, proposed Lots 5603 and 5604 would adhere to all subdivision and R-2-5 zone requirements. The lots would be substantially similar in character to similarly situated lots.

Subject to the conditions contained in Section II of this report, staff recommends approval of the re-subdivision request.

IV. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following condition:

1. The final subdivision plat shall comply with the requirements of Section 11-1700 of the Zoning Ordinance. (P&Z)

2. The applicant shall covenant that the existing dwelling shall be demolished before either of the following may occur: (a) City approval of any building permits to construct any new dwellings or structures on the subject property or (b) sale of the subdivided lots to individual owners. This covenant shall expire when the subdivided lots are consolidated or the existing dwelling is demolished. This covenant shall be included in the recorded deed of subdivision and the final subdivision plat. (P&Z)

Tony LaColla, AICP, Land Use Services Division Chief

Sam Shelby, Principal Planner

Staff Note: This plat will expire 18 months from the date of approval unless recorded sooner.

<u>Transportation & Environmental Services</u>:

- F-1 All property corners (that are not currently existing) will be required to be set prior to signature set approval of this SUB. (Survey)
- F-2 The Site is located along Wilson Street; which is classified as a "Tier 4 Sidewalk Gap" Street. Therefore, this subdivision shall not preclude the City or others from the provision of a sidewalk and landscape buffer in the future. (Transportation Planning)

C-1 Please address the following comments on Final 1 plat (at the latest): Please include the subdivision lot #, name of subdivision and DB/PG of subdivision for each adjoiner. This information is missing from the adjoiner to the west, for instance, and components such as the DB/PG (of subdivision) and name of Subdivision is likely missing from the others as well. Note: the term 'subdivision' can generally refer to the creation of the lot/parcel in it's current form, so please at a minimum include the DB/PG at which this parcel was created and regardless of whether that deed (of railroad corridor creation, perhaps?) contained the phrase 'subdivision').
