## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

I am very much looking forward to getting involved in the City of Alexandria boards. I have over 5 years of mortgage industry experience and I have over 5 years of healthcare experience. My industry experience combined with my management background and education make me a great candidate for the Alexandria Housing Affordability Advisory Committee. I am a proud Latina and truly believe that diversity helps our community grow in members and strength while also inspiring creativity and innovation. Affordable housing opportunities will aid in creating a more diverse community in a town that I love so much. I have lived in Old Town for over eight years in both a condominium and also a single family home setting. I have also played the role of a landlord in the past when I had my condominium rented. I have attached my resume to this application and upon review if my experience better suits a different committee, I would be happy to consider the change.

---

Masters in Healthcare Administration (MHA) from The George Washington University Bachelors in Information Technology (BS) from Marymount University Mortgage Loan Originator (MLO) License with NMLS #2324067

**SUMMARY OF WORK AND PRACTICAL EXPERIENCE (Please list titles and duties for the past five years):**

---

**DIRECTOR OF BRANCH OPERATIONS | HOMESPIRE MORTGAGE AUGUST 2020 - PRESENT** NMLS #2324067, MLO Licensed in DC, VA, WV, FL with temporary authority in MD As the Director of Branch Operations, I manage and direct the daily activities of mortgage operations including sales, processing, underwriting, closing, and post-closing initiatives. I monitor the productivity and budgetary performance of the branch to ensure efficient and effective delivery of products and services. As a licensed mortgage loan originator, I utilize my experience in relationship management to assist clients through the home-buying process. To be effective, I keep up with mortgage loan trends and guidelines to help clients realize and meet their financial goals by responsibly advising them throughout the mortgage loan process. Listed below are key responsibilities of my position. Manage the day-to-day functions of a multidisciplinary team of mortgage disclosure analysts, processors, closers, and post-closers. Supervise and expedite workflows throughout the branch by assigning the personnel necessary to meet schedule requirements. Monitor production levels and makes necessary adjustments to ensure a smooth workflow at a maximum output. Originate and evaluate mortgage loans according to company guidelines and industry standards Audit mortgage loan files periodically to ensure compliance with all financial and lending practices including RESPA, TILA, ECOA, etc. Manage my book of business and continuously network to grow my network of real estate agents, title attorneys, insurance agents, etc. Analyze sensitive financial data to best advise clients on steps to future homeownership Proficient in understanding Conventional, FHA, VA, and USDA financing guidelines Maintain state licensures in Washington DC, Virginia, West Virginia, Maryland, and Florida

**DIRECTOR OF OPERATIONS | TECHNOLOGY SOLUTIONS CONSULTING NOVEMBER 2017 – AUGUST 2020** As the Director of Operations, I managed a team of ten highly trained healthcare consultants, both clinical and non-clinical whom all worked a contract with the US Department of Veterans Affairs (VA). Combined, we were responsible for delivering high quality qualitative and quantitative deliverables to the Federal government on tight timelines. In addition to managing the team, I was also a subject matter expert providing insights and knowledge for all healthcare management and healthcare IT initiatives. Listed below are key responsibilities of my position. Provided day-to-day leadership and management that included the following:

- Assigning resources to deliverables to ensure a good balance between deliverable expectations and the resource's skillset. Assigning resources provided visibility into resource utilization allowing for personnel adjustments, as needed.
- Hosting weekly discussions with the team to discuss their level of effort on deliverables and meetings, answering all travel related inquiries, answering all HR related questions (i.e., Approving sick time use, signing off on PTO requests, etc.), and providing mentorship on how to perform written or verbal communications with the client.
- Drove the company to achieve projected sales numbers for fiscal year 2020 through effective negotiations with the client.
- Understanding the client's needs and reiterating the value that our consulting services brought to their organization and emphasized how future collaboration efforts would help achieve their organizational goals.
- These discussions helped secure an additional \$700,000 in task orders for fiscal year 2020. Maintained daily communications with the client to ensure expectations were being met and to ensure that we were adequately compensated for the team's level of effort. Effectively assigned over 350 deliverables throughout the fiscal year for a total of \$1.3M - \$1.5M in revenues. Trusted partner and subject matter expert with both a high-level and detailed understanding of all projects.
- All deliverables that were submitted to the client were thoroughly reviewed through a Quality Control (QC) process that I created. The QC process took an editorial approach to reviewing every deliverable in the sense that I would read the deliverable for content, not just check it for spelling and grammar errors. This fostered a deeper understanding for the initiatives and allowed for me to be a trusted partner and subject matter expert. This QC process ensured that deliverables were accepted on the first attempt, preventing any change control requests.
- Demonstrated aptitude in sound decision-making and problem-solving in high pressure situations with the client. During these situations, I would support my team and ensure I understood the situation by asking probing questions and obtaining only facts. These facts were the basis for all conflict resolution strategies.

Responsible for tracking and maintaining Government feedback on all deliverables and successfully ensured they were ready for invoicing. Fostered a transparent, mission driven, environment that encouraged a trusting and collaborative culture allowing for the proactive mitigation of risk, paramount to smaller teams. Due to this tight-knit culture, few things occurred that I was not made aware of in advance.

## Statement of Interest/Why You Should Be Appointed

I am applying to renew my position as the Chamber of Commerce position on BFAAC for a second term. I have sincerely enjoyed the opportunity to give back to the Alexandria community through my work on BFAAC. I believe the combination of my work experiences in both the public and private sectors, my education in architecture, planning, and real estate development, and my interest in learning more about public finance and budgeting, provides a unique perspective to the Committee. My professional experience has afforded me a deep knowledge and understanding of the development process, from long-range planning and community engagement, to entitlement through project delivery, which has been beneficial to the Committee as real estate tax revenue is an essential part of the City's funding structure and subsequently the budget itself. There are so many issues that the City must consider and balance while developing the budget. I look forward to continuing to expand my own knowledge of the budget, providing leadership and guidance to BFAAC as Vice Chair, engaging directly with City staff, providing thoughtful feedback, and representing the Chamber of Commerce's interests in BFAAC's recommendations. Thank you for your consideration of my application.

Statement of Interest/Why You Should Be Appointed

---

I have 3 children, a 3rd and 1st grader at Charles Barrett, and the one in a private pre-school in the city. I am passionate about the future of our youth and families in Alexandria, especially the children in our foster care system. I work full time for a large manufacturing company and believe I have a strategic mind that could help bring fresh insight into identifying solutions to tough situations that our children are currently facing. During my previous term on the CYFCC, I actively participated and believe that I provided value and perspective, especially with determining ways to increase the impact of youth voice and involvement within the City. I would like the opportunity to continue my tenure.

I am an attorney with 40 years of nonprofit experience in underserved rural communities. I am skilled at creative problem solving and conflict management. I am a volunteer with At Home in Alexandria, have served on their Advisory Committee for the past five years, and am currently working toward a second career in elder law, estate planning, and financial management. I would greatly appreciate an opportunity to serve on the Commission and to find how I might bring my skills to bear in a way that will best serve the very interesting and vibrant older citizens of Alexandria.

Statement of Interest/Why You Should Be Appointed

---

Twice a veteran of the GWOT and an officer in the Virginia National Guard & US Army Reserve for 16 years, I am a keen fan of US history and understand well George Washington's role in the founding of our republic. Well accustomed to planning large events and working with a board of directors, I think I would bring great experience to this community organization. I also live in the core of the historic district so I would represent the interests of Old Town Residents who celebrate their connection to the first President.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

I am eager to represent the Public Records Advisory Commission on the Historic Alexandria Resources Commission and expand the ways I give back to the Alexandria community using my expertise in preservation and cultural heritage. I will leverage my experience as a former preservation specialist and the master's of science degree I hold in Library and Information Science. As a preservation specialist for four years, I consulted with non-profit and local government-based cultural heritage institutions and provided guidance for the preservation of historical collections. I have also used my time in Alexandria to support the cultural heritage community here. With the Public Records Advisory Commission, I have provided guidance on storage and selecting preservation-safe materials for renovation projects. I have also provided tours at the Stabler-Leadbeater Apothecary Museum since December 2021, proving me with first-hand experience with how Alexandria's City shares its history with residents and visitors. I believe that Alexandria's historic resources are key to understanding who we are and can inform what we - as a City - want to become. I hope to apply my experience in and passion for preservation and Alexandria's history to help the City share and care for these historical resources as best it can.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

I am a nationally-recognized social science researcher and consultant with 30+ years experience analyzing issues of human rights, human services poverty, discrimination, and affirmative action, both in the United States and globally. For five years, I was the Affirmative Action Officer for the American Civil Liberties Union, and I have served as an expert witness several dozen times in federal courts and civil service administrative proceedings on human rights issues. While strongly motivated to promote fair treatment for all members of the community, I am considered a bi-partisan, moderate, evidence-driven person able to forge consensus among persons of many backgrounds and perspectives.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

Based on my background in studying the Mirant Power Plant, its numerous air quality exceedences which required my immediate attention to classify, I think this emergency committee will be a good fit for my skills. Also, the plant's coal pile was always threatened by spontaneous combustion causing fires. Therefore, the coal pile had to be compressed daily to avoid the chance of fire. In recognition of these efforts, I was awarded the Ellen Pickering Environmental Excellence Award (2009). Also, I was named a "Living Legend" of Alexandria for my work in closing the Mirant Power Plant.

## Statement of Interest/Why You Should Be Appointed

---

I have lived a life of service; having grown up in a small close-knit community. My family always instilled a spirit of giving back - and my Grandfather led by example in his service on the Parks and Recreation Commission of Rockingham County, Virginia. I attended a small college that instilled in us a commitment to helping our fellow human beings, and leaving the world a better place. I have dedicated the last 26 years of my life to service in the Federal government. I have gone where I was needed; whether to North Carolina after a hurricane or New York City after 9/11. I have also served the public in ensuring public safety, security and continuity of government through my service at the United States Capitol Police. I am an active member of Trinity United Methodist Church in Alexandria, a church with almost 250 years of history as an institution devoted to Alexandria's citizens of all races, creeds and abilities. I am also an active volunteer at the Stabler-Leadbeater Apothecary Museum, and am very interested in the rich history of this city. Like everyone else in the world, I experienced major changes in my life over the past two years. These changes have led me to consider my place in our community - and to evaluate if I am doing enough to make this the best place it can be. I am so proud to live in Alexandria. I believe that our city is the best place to live in the DC-Metro area. We have so many amenities and such a variety of services to offer to everyone. During COVID, when we were all locked down, one of my rituals of peace and centering was to take long walks. I am very fortunate to live in the Potomac Greens neighborhood; right beside the Potomac Greens Park. We live just a block away from a beautiful city park with trails that walk through the wetlands adjacent to the George Washington Parkway. Almost every day I would walk through that park and take photos of the day to day changes. I witnessed the entire cycle of life - birth, death, seasons, transformation and beauty. Just yesterday, I witnessed a mother snapping turtle laying digging a hole to lay her eggs in that park. I have been thinking about how unique that park is to Alexandria and how much it will mean when people walk through it to the new Metro station. I can imagine people getting off the metro after a bad day at work, and deciding to walk through the park on the way home. They would see birds, beavers, ducks, many turtles, maybe a couple snakes. What a treasure that park is. I would like to play a part in making sure that park; and others across the city, are preserved and maintained and shared with equity. In addition, I am an avid bike rider. I ride the trails and streets across the city. The parks and green spaces are transitions between the roadways and provide buffers between density and neighborhoods. We need to preserve those bands of green, and we need to do all we can to share them with the residents. I spent hundreds of hours wandering the city from park to park. I sat on so many benches in forests, along streams, along the river and in meadows of flowers. I spent so much time contemplating life and my place in it - and I am so grateful to have been provided with the spaces to find peace and solitude during those difficult times. When I lived in Beverly Hills I visited Monticello Park often, and took my dog to enjoy running through the woods, wading in the creek or chasing a ball in the dog area. I also enjoyed Beverly Park (the Pit) and loved the secret little trail that connected the park to the neighborhood adjacent. As a resident of Rosemont I spent a lot of time in Beach Park, and walking the Causeway Trail from the tennis courts to Blue Park. Eight years ago I lost my fiancé unexpectedly. I could go on and on with all of my visits to parks and sites across the city. But, needless to say - I am excited at the opportunity to give back and also continue my love of the parks and green spaces. As North Old Town changes and transforms it will be even more important that we find ways to incorporate parks and green space and recreation facilities into the community for the new residents. I am committed and eager to assist with that transformation.

I have served as vice-chair, and was just elected to chair the Committee. I would be honored to continue serving this committee for a final term as we begin to see the vision of the small area plan come to fruition. I understand that there are currently numerous vacancies on PYDAC, so I hope to provide some continuity and institutional knowledge to new members.

Statement of Interest/Why You Should Be Appointed

---

I have lived in Alexandria for 16 years and have owned a business here for more than a decade. I am an active member of the Alexandria Chamber of Commerce, having served on the ACC's Government Relations Committee for several years. I also served as a business representative on the North Potomac Yard Small Area Plan Amendment working group under the leadership of Stephen Koenig, the advisory group that reviewed and made recommendations to City Council regarding Dominion Virginia's proposed transmission line upgrade and the advisory group that made recommendations regarding design guidelines for the Bus Depot redevelopment. My Chamber and personal relationships in Alexandria, my commitment to Alexandria business and growth and my experience working on the North Potomac Yard Small Area Plan Amendment cause me to be familiar with the City's and City's citizens' vision for Potomac yard and very interested in the development and success of Potomac Yard. My most recent service was on PYDAC. My term is expiring. Therefore I am applying for serve a new term.

Personally I love Alexandria and spend much of my personal time in Old Town going to restaurants, parks, shopping. My dog loves walking around the waterfront in Old Town so that helps!! Professionally, I oversee the Potomac Water Taxi operation in Alexandria - we have received so much support from the community over the years and I believe our operation is a real asset to the City of Alexandria. I would like to be involved in the continued growth of travel & leisure in any way possible.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

Thank you for considering my reappointment to the Visit Alexandria Board of Governors. As an Alexandria resident and business owner, I'm familiar with Alexandria's distinct charm, style and history, and appreciate the opportunity to help boost our city. In fact, I started my business — Threadleaf — in part to show the dynamism and vibrancy that is part of Alexandria. A women's boutique focused on ethically-made, fashion forward clothing and accessories, Threadleaf has attracted customers throughout the greater Washington region since opening in May 2018. Prior to opening Threadleaf, I practiced law for 12 years — with a law firm, the Department of Justice and finally the White House, where I served as Deputy General Counsel in the White House Office of National Drug Control Policy during the Obama Administration. In terms of civic engagement, I have served as a member of the Historic Alexandria Resources Commission (HARC) and the Alexandria Art/History Waterfront Implementation Committee, and as a volunteer farm educator with the Arcadia Center for Sustainable Food and Agriculture. Currently, I'm a member of the Alexandria Chamber of Commerce and the Old Town Business and Professional Association. In 2002, I moved to the area from NY to attend Georgetown Law. I didn't particularly intend to stay, but fell in love with the area. I truly believe that Alexandria is an extraordinary city and would be excited to help further strengthen and expand upon this message.

## Interests & Experiences

## Statement of Interest/Why You Should Be Appointed

---

I am interested in continuing my service as a member of the Alexandria Waterfront Commission, representing the Planning Commission, because the Waterfront Commission plays an important advisory role ensuring that the city maintains and improves its Potomac River Waterfront. As a member of the Waterfront Committee and then Waterfront Commission from 2007 to 2013, I was proactive in broadening the body's advice to City Council on matters concerning the waterfront. When I served as chair from 2009 to 2013, the Waterfront Committee was vocal on the Waterfront Plan as well as waterfront safety and security; riverside parking and transportation; park and marina operations and maintenance; and City budget and capital improvement priorities. As the Planning Commission's member of the Waterfront Commission since 2016, I have supported the Waterfront Commission's advisory role to implement the Waterfront Small Area Plan and make sure it achieves near-term success. In the past few years, we have realized important elements of Alexandria's waterfront vision, including improvements of Waterfront Park and Windmill Hill Park, the opening of the 100 Block of King Street to pedestrian traffic, as well as completion of significant development at Robinson Landing and other adjacent areas. Over the next 24 months, we face the challenge of continuing to better our Waterfront while recovering from the pandemic. The Waterfront Commission will advise on key activities in the Waterfront area, including waterfront flood mitigation, revitalization of the Torpedo Factory, the opening of the unit block of King Street to pedestrian traffic, and development at the former power plant site and other locations along the river. As a Planning Commission member, my interest is in ensuring that Waterfront development is consistent with the City's comprehensive plan and benefits all Alexandrians. We must ensure that the waterfront remains accessible to all residents. Thank you for the opportunity to apply for this position, and for your deliberate consideration of my application. I look forward to resuming my service as a member of the Alexandria Waterfront Commission.

### If you have served more than two consecutive terms on this board, please state the specific qualifications you possess which merit consideration for continued service:

---

I remain committed to supporting betterment of the Waterfront through implementation of the Waterfront Small Area Plan, linking to the priorities of the city's Master Plan, which is the purview of the Planning Commission. I also serve as vice-chair of the Waterfront Commission, and offer institutional memory on the aims and intent of the Waterfront Small Area Plan when adopted in 2012. As noted above, over the next 24 months, we face the challenge of continuing to better our Waterfront while recovering from the pandemic. The Waterfront Commission will need to be mindful of the limited resources available for the Waterfront relative to other citywide needs. I am eager to contribute to these conversations.
