- Residential and commercial

Surrounding Zoning

REZ #2026-00002

Background & Existing Proffer

Background

- Site had been used for residential purposes until 1981.

1981 Rezoning Request Proffer:

1. Property will be restricted for professional office uses only.
2. The existing structure will be retained, and any future additions, if needed, will be in the same architectural style as the existing structure.
3. The floor area ratio will be limited to 0.5.
4. The proposed driveway and parking area will be landscaped and buffered to the satisfaction of the City Arborist, and in such a manner as to provide adequate screening to protect the residential nature of the neighborhood.

Current Proffer Request

2026 Rezoning Request Proffer:

1. The property will be restricted to professional offices only commercial uses and/or a residential single dwelling unit with a childcare home.
2. The existing structure will be retained, ~~and any future additions, if needed, will be in the same architectural style as the existing structure.~~
3. The floor area ratio will be limited to 0.5.
4. The proposed driveway and parking area will be landscaped and buffered to the satisfaction of the City Arborist, and in such a manner as to provide adequate screening to protect the residential nature of the neighborhood.
