## Interests & Experiences

### Statement of Interest

---

I would like to become more active in the City of Alexandria and making it an even better place to live and visit. The Alexandria-Caen Sister City Committee brings together my interest in World War II, European Travel, visitor/guest experience, building and developing relationships and event coordination and allows me to expand my experience internationally. With over 20 years of product management experience in the Financial Services industry, I focus on the user experience which directly translates to guest / visitor experience. This was an area of focus when I worked for the Denny Hamlin Foundation where I planned an annual charity race. This included the fan experience as well as managing relationships with sponsors. My volunteer work with the National Park Service provides me with experience in helping people from all over the world enjoy their experiences on the National Mall.

---

Over 20 years of Product Management experience in developing banking and software products. Companies include: Mastercard (current), Conference of State Bank Supervisors, PenFed Credit Union, and Capital One. I was the Development Director for the Denny Hamlin Foundation for several years. I currently volunteer on the National Mall in Washington DC with the National Park Service, including the World War II and Dwight D. Eisenhower Memorials. This includes answering visitor questions, providing directions and giving interpretive talks about the Memorials and the history that surrounds them. I have done this for 6 years. I have had unpaid service roles within my Church that have prepared me, as well. I was the Director of Communication where I was responsible for interfaith, government and nonprofit relationships, press/media and social media. Currently, I am the Director of Activities with responsibilities that include consulting with and training local Activities Committees and planning large, regional activities.

I am currently serving as the Chair, a position I've held since October 2019. My leadership style is to encourage open dialogue where all ideas are welcome.
