- Amenities at the Landmark Transit Center
 - Until the \$12 million SMART SCALE project is complete (est. 2027-2028)
 - **12 shelters (2 for each bus bay)**
 - **6 real-time signs**
- After SMART SCALE PROJECT
 - relocated to high priority locations

- Transitway Corridors**
- Metroway (Existing)
 - Duke Street Transitway (Future)
 - West End Transitway (Future)

Funding Request

- **Total Project Cost:** Up to \$800
- **Total Funding Request:** Up to \$544,000
- **Local Match:** Up to \$256,000
- **Local Match Source:** NVTA 30% or other local sources (GoAlex Fund)

Recommendation

That the City Council approve a resolution to:

- **Support** the application for up to \$544,000 of state aid for passenger amenities through the Transit Ridership Incentive Program, and commit any local funds required; and
- **Authorize** the City Manager to enter into any necessary agreements to accept and implement the grants.
