Interests & Experiences

Statement of Interest

It has been an honor and privilege to serve on the Arts Commission for the past six (6) years. Our work has contributed to the arts vibrancy of Alexandria and I'm particularly proud of the impact of our grants program and public arts initiatives. I've served on a number of Task Forces for public art and currently serve on the Wilkes Street Park and Dell Pepper Center Task Forces. With your support, I hope to sustain my advocacy for these and many other arts projects. It's been a pleasure to work alongside other incredibly dedicated Commissioners and the Office of the Arts' staff! As I've mentioned previously, my background is unique on the Commission. I bring a specific mix of Art focused non-profit expertise, but also lend my systems engineering background to inform our strategic planning and how to operationalize good ideas. I hope to continue my work on the Commission for another term and expand our role as advocates for Alexandria's arts and cultural organizations. I will continue to push for better ways to measure the impact of the programming we financially support to ensure that the arts are advanced and tax dollars are optimized to the extent possible.

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

Statement of Interest

I have served on the commission since 2014 and was elected to serve as Vice Chair of the Commission for Women. I have been an integral part of helping the commission achieve its mission and objective. The three pillars we have been focused on is: Affordable Housing & Transportation; Domestic Violence/Sexual Assault & Human Trafficking and Reproductive Rights. I have worked on the Salute to Women events, Vola Lawson Fundraiser, Take your Daughters & Sons to Work Day, Status of Women Report and helping with the Domestic Violence Shelter. I want to continue building on the many successes we have had and continue to focus on the three key pillars of the CFW's objectives in 2024 and beyond. We have had many successes during my tenure including a stronger partnership with City Council and other community leaders. We have held multiple webinars that collectively included over 200+ participants.

If you have served more than two consecutive terms on this board, please state the specific qualifications you possess which merit consideration for continued service:

I want to continue the great work that we are doing. I have had the opportunity to work with some incredible women and men in serving our community through multiple initiatives. I am also enjoying working with City Council and Friends of the Commission on our collective mission. Over the years, the Commission's efforts have focused on supporting existing City programs that focus on women, specifically: domestic violence, sexual assault and teen pregnancy. I have helped raise funds for the domestic violence shelter through the Salute to Women program that recognizes women and young girls who are making a difference in our community. (2) Providing guidance and advice to the City on relevant legislation and public policy issues. (3) Sponsoring awareness and outreach events, including the Annual Salute to Women Awards Program and Take Our Daughters and Sons to Work Day. (4) The preservation and promotion of women's history in Alexandria through the Women's History Tour and related projects. In addition, the Commission stays active on affairs within the city. Commissioners learn about and provide insight on local issues by attending Council meetings, hearings and symposia, inviting speakers to Commission meetings, and attending educational and civic programs within the City and around the region. In FY 2014, the Commission celebrated the 40th Anniversary of the formation of the Commission on the Status on Women in 1974 at the 34th Annual Salute to Women Awards Ceremony.

In 2021, I was accepted as a Mentor for the Alexandria program A Space of Her Own. I have continued as a mentor, encouraging my now 12-year-old mentee (with the support of her family) and planning and joining her in hiking, baking, crafting, and visiting various museums and venues of interest around the area. At 63, I was the oldest mentor in the Class of 2021-2022.

Statement of Interest

My mother was diagnosed with Alzheimers when she was 62, slowly declining until her death twenty years later. I learned everything I could about the best ways to keep a family member living with Alzheimers comfortable and secure. My father and I took care of Mom at first, and my brothers helped. Dad was retired and I worked. It was exhausting, even with all the help we had. I cannot imagine how an older spouse would be able to take care of a spouse with Alzheimers or other types of dementia by themselves. Alexandria is a good place to grow old in, but I feel that working with the Commission on Aging, I could help make it even better.

EDUCATIONAL BACKGROUND

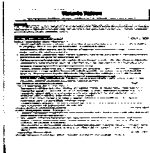

University of Virginia, BA cum laude, 1981 Dickinson School of Law, 1985 - notes editor, Dickinson Law Review, 1984-85 - awarded the I. Emanuel Meyer Award for Appellate Advocacy

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

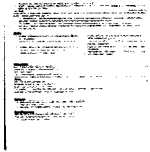

I was the Director of the Office of Environmental Analysis at the Surface Transportation Board, the successor agency to the Interstate Commerce Commission. I led a staff of 10 Environmental Protection Specialists and 1 administrative assistant. Under my direction, the office prepared Environmental Assessments and Environmental Impact Statements to inform the Board Members on both the benefits and the adverse impacts of their decisions. My staff and I would meet with the public, explain the proposed freight railroad project, review our analyses, and request comments. I was concerned about our effectiveness in conveying this technical information to older people. I emphasized using plain language, speaking deliberately and clearly, and having plain language handouts for people to take home. I retired at the end of 2020, but was rehired on a part time status in May of 2021 to work on a major freight railroad merger. I retired fully in March 2023.

As a military officer in the reserves I have operational experience with enterprise IT systems, cybersecurity incident response, requirements development, delivery, and deployment of IT capabilities. Interests & Experiences

Statement of Interest

I have worked to ensure that human rights are respected for many years. In fact, my professional responsibilities included taking action to prevent financial institutions from carrying out unfair, deceptive, or abusive practices, and securing their compliance with the federal civil rights requirements that apply to lending. Among other things, these requirements prohibit discrimination based on race, gender, disability, marital status, or the receipt of public assistance. Consequently, as a federal attorney and policymaker, I oversaw programs intended to address lending discrimination and other practices that hold people back. Later, as a consultant, I advised financial services firms about how to avoid practices that caused this kind of harm. In both capacities, I also worked to ensure that firms designed and managed their operations to reduce the risk that such practices would recur. Most recently, I have been an energetic volunteer for: (1) Virginia Democracy Forward, a local grassroots group that supports progressive issues and candidates in Virginia; (2) the Dems to Go and Dining for Delegates efforts of the Alexandria Democratic Committee; and (3) the Virginia Grassroots Coalition, a larger alliance of grassroots groups. Through my work on behalf of all of these organizations, I have helped raise awareness of concerns that relate to unfair or discriminatory treatment and worked to ensure that candidates who are responsive to these concerns are elected to Virginia offices. With this background, I am enthusiastic about the opportunity to evaluate and address complaints about unfair treatment, collaborate on programs that address the needs of Alexandrians, raise awareness about the issues that they face, and foster governmental policies that support them. To better understand how the city operates, I am also pleased to note that I have been selected to participate in the Alexandria City Academy this Fall. Last Spring, I applied for a vacancy on the Alexandria Commission for Women, but was not chosen for that position. If appointed this time, I would be honored to join the Alexandria Human Rights Commission.

EDUCATIONAL BACKGROUND

George Washington University, National Law Center, Washington D.C., Juris Doctor, May 1985 University of Miami, Coral Gables, Florida, B.A. with Honors, May, 1982

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

As my resume explains, I had an extensive career in federal public service before I became a consultant in 2016. I continue to be committed to civic activities as a volunteer. Over the last seven years, I have worked on behalf of the Virginia Grassroots Coalition, an alliance of 200 groups that support progressive issues and candidates in Virginia, and Virginia Democracy Forward, a local group that advances democratic values and helps elect exceptional Democratic candidates. With these groups, I have taken part in Virginia legislative initiatives, raised awareness of social issues - including those that relate to civil rights - and actively worked to elect progressive candidates. Since moving to Alexandria in March 2023, I have continued to support these campaigns through the Dems to Go and Dining for Delegates activities of the Alexandria Democratic Committee. My most recent professional experience involved working as a Senior Advisor to TRELIANT LLC from 2016 to 2022, when I retired. Treliaant is a consulting partner to the global financial industry. As a Senior Advisor, I used my deep knowledge of the federal consumer protection requirements applicable to financial services to advise firms on compliance risks and how to address them. Among other things, my work with clients included providing insight into how the federal banking agencies approach potential unfair, deceptive, or abusive practices, and alerting firms to compliance risks related to the federal prohibition against lending discrimination. An important focus of my work was helping firms design and maintain compliant programs. Both my volunteer and professional work have provided me with insight into the bias that people face, and the operational and legal challenges associate with addressing it. If appointed, I would employ this insight into developing and carrying out the programs sponsored by the Commission.

Statement of Interest

I am a relatively new member of the Alexandria community, and I'm looking to get involved. When my family (wife, Kari and daughter, Charlotte) lived in DC, I was a member of the City's Advisory Council and Parks and Trails. I thoroughly enjoyed being part of that team and having a say in how the city was managing those projects. Now that I've moved to Alexandria for the long-term, I'd love to have even more involvement to serve the community, especially in my immediate area.

My partner and I moved to Potomac Yard in 2017. I was a founding member of the Potomac Yard Citizens Association and was active in discussions around the Dylan condominiums, including working with neighbors during the land use deliberations, testifying at the Planning Commission and City Council, attending Potomac Yard Design Advisory Committee meetings and making sure the developer upheld the conditions of approval, especially around installing piles. Serving on the Potomac Yard Design Advisory Committee marries my commitment to ensuring development in Potomac Yard meets the highest standards for Design Guidelines and Standards. The committee mission is critical to ensuring Potomac Yard is a safe and vibrant community that will meet the needs of students, residents, businesses and their employees. Potomac Yard is beginning the discussions of an exciting new chapter. Beyond committee meetings, I look forward to actively listening to stakeholders, especially those who will be the most impacted. Ensuring processes are vigorously followed and providing multiple avenues for engagement will be key to ensuring our work will meet the needs of Potomac Yard and Alexandria today and leave a legacy for future residents.

EDUCATIONAL BACKGROUND

BA International Business; Linfield College; McMinnville, Oregon

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

My professional experience ranges from staff for local, state and federal elected officials to now working in strategic communications for a trade association. The guiding principle of reaching out to those who are most impacted, listening to stakeholders, upholding processes, and clearly communicating decisions is vital to building support for any initiative. In addition to working to Alexandria businesses and residents to raise money for Duncan Library, my work with the Friends of Duncan Library has provided me with insights into the city of Alexandria's budgeting process to advocate for reasonable compensation for Alexandria's library staff.

Interests & Experiences

Statement of Interest

When I saw the open citizen membership position for the Sister Cities (Dundee, Scotland, and Helsingborg, Sweden), I thought it would be a great way to get involved with the community. I naturally gravitate to organizing, love working on teams, and am enthusiastic about life experiences. Sister Cities provide a way to promote positive relationships and an opportunity for learning and sharing experiences between our communities. I look forward to contributing to this worthy cause by serving as a citizen member by offering ideas, helping organize meetings/events, and contributing to a positive experience for all.

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

I have spent my career organizing people, projects, and activities, which come naturally to me. As a project manager and consultant, people rely on me to lead the project team to accomplish the project's goals on time, on budget, and with quality results. These skills translate to all aspects of my life and can easily be an asset to the Sister Cities committee. In addition to my work skills, my husband and I take a sabbatical every 3-5 years to see new places, meet new people, and eat and drink local fare. We have been to Scotland (we walked the John Muir Way when it initially opened), which was extraordinary. We have not been to Sweden yet, but we have had it in our travel plans. Traveling provides an opportunity to expand your empathy, creativity, and learning. These skills will also be valuable to serving on the Sister Cities committee.
