Description:	Letter of Support for Goodwin Living's application for construction of new senior living community June 12, 2025 Dear Mayor Gaskins and Members of City Council, It is my pleasure to write this letter of support for the new Goodwin Living's campus in the West End of Alexandria. This project will provide affordable housing for older adults at the new campus, and additional investment in the View Alexandria, which has become a quality community for middle income seniors. Goodwin Living is a valued partner for the work of Senior Services of Alexandria(SSA). They recognize the importance of giving back to the community we serve in countless ways. Goodwin Living staff share their expertise at speaker series events, volunteer to deliver meals, lead exercise classes for lower income residents, and help make the City more dementia friendly. When a fire destroyed the preparation site for meals on wheels, The View Alexandria immediately responded to SSA's call and had meals ready for delivery within 24 hours. Goodwin Living is a trusted resource for all older adults in Alexandria, and this project will address the significant need for additional continuum of care housing for seniors. Thank you very much for your consideration of this important project, which will enhance the lives of older adults. Sincerely, Mary Lee Anderson Executive Director Senior Services of Alexandria
