Re: Endorsement of the FY 2023 Transportation and Land Use Connections Grant Applications

Dear Mayor Wilson and Members of City Council:

At its January 19, 2022 meeting, the Transportation Commission voted to endorse the following staff-recommended grant applications to the Metropolitan Washington Council of Governments Transportation and Land Use Connections Program:

1. Up to \$80,000 to develop designs for crossing improvements recommended through the City's Safe Routes to School (SRTS) Program.
2. Up to \$60,000 to conduct SRTS walk audits for Ferdinand T. Day Elementary, George Washington Middle, Francis Hammond Middle, and Alexandria City High School.

These requests support the goals of the Alexandria Mobility Plan and the Vision Zero Action Plan. The Transportation Commission appreciates the opportunity to review staff recommendations for the FY 2023 Transportation and Land Use Connections Program.

Should you have any questions, do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Oscar Gonzalez".
