- Email: mkconner@mkconnerlaw.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Hi All --

I hope this note finds you well. We had our regular Commission on IT meeting this evening. We were aware that you will be considering applications for a citizen representative on the Commission at your meeting on September 13. We talked about the various candidates for the citizen representative position and unanimously agreed that John Szczech is the one who stands out as the best candidate. We find his qualifications diverse from the qualifications currently on the Commission. We think he adds to our discussions for that reason. Also, we really are looking for input from the perspective of a millennial. John is a millennial.

We also liked the longevity of his residency in the City -- he has lived here 5 years. Because of his interest in the City, John is an Alumni of Alexandria's Citizen Academy.

While all the candidates appeared qualified, the IT Commission currently is represented by members with many of the same characteristics as the other 4 candidates.

We hope you will consider our input as you make your decision.

thanks,
Marjorie Conner
Secretary and
Citizen Representative
Commission on IT
