Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am a driven individual who wants to become more involved in my local community, and plan to live in the Alexandria area for a long time. This council drew my attention as I have extreme interest in protecting my community, and I feel this council is the most relevant to that of the options that had vacant seats. My current job and past jobs have dealt heavily with readiness and ensuring proper resourcing and preparation of Department of Defense assets for adverse scenarios, and I believe my unique skillset would allow me to humbly and honorably serve my community. The Mission statement sums up my intentions of applying to this council, which is "To make Alexandria safe through citizen participation." Given the opportunity, I would be happy to interview further!

Have you ever served the City of Alexandria in any capacity?

No

Have you ever attended a meeting of the Board or Commission for which you are applying?

No

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am writing to express my interest in serving on the City of Alexandria's Citizen Corps Council. As a lifelong resident of Alexandria, I have benefited greatly from the dedication of citizens who volunteer their time and expertise through city commissions and community organizations. Their service has contributed meaningfully to the safety, resilience, and quality of life in our city. Through service on this committee, I hope to contribute in a similar way and to help ensure that Alexandria remains well prepared for future challenges. My interest in emergency preparedness began early. As a Boy Scout, I learned the fundamentals of emergency planning and developed personal and family safety plans for disaster scenarios as part of earning merit badges. As an adult leader on trips to Philmont Scout Ranch in Cimarron, NM, I was responsible for ensuring the safety of scouts through first aid kit assembly and planning for potential backcountry emergencies. While my professional life has not focused directly on emergency preparedness, my interest in the field has remained strong. I am eager to deepen my knowledge, learn from experienced practitioners, and contribute thoughtfully through hands-on involvement in the committee's work. Serving on this committee would be a meaningful opportunity to give back to the community that has given so much to me and to support the well-being of current and future Alexandrians. Thank you for your time and for considering my application. I appreciate the Council's consideration and the opportunity to serve.
