Statement of Interest
I believe parks and recreations are important as they bring people together, support healthy lifestyles, and give young people a safe place to connect. As a student at ACHS, I have been involved in lacrosse, cross country, track, band (Rock of Ages Music), yearbook, and participate in Distributive Education Clubs of America (DECA). I would like to bring the skills I have learned in these activities to the commission and represent the voice of youth in our community. I am especially interested in creating safe spaces for teens and children, improving athletic fields, and learning more about the community these parks and recreational facilities serve. I believe my perspective as a young person can support the commission in making decisions to support current and future generations.
