- Service Type: Mayor, Vice Mayor, City Council
- Request Description: To Madam Mayor and Members of City Council,

My name is Joy Pochatila, I have submitted an application to fill a vacancy on the Planning Commission. I hope, after reading my statement of interest, you will vote to approve my nomination at the February 14th Legislative Meeting. I was a member of the Environmental Policy Commission for three years and truly enjoyed serving the City. I hope that my professional expertise in land-use mapping and water resources, as well as my knowledge of the Environmental Action Plan will be an asset to the Planning Commission. Additionally, as a parent with two children enrolled in ACPS, I would like to be a voice for other parents concerned about the potential impacts of any new planning and development to ACPS. If you have any questions regarding my application, please do not hesitate to contact me. I also encourage you to contact my references, Ms. Fidler (dcfidler1@hotmail.com), Ms. Hovis (jhovis@live.com), Ms. Lassetter (jbaylissbrown@gmail.com), and/or Mrs. Duplantier (diana.duplantier@gmail.com), with whom I have worked on a variety of committees and organizations. I've included the affiliation of each reference in my application, but I want to clarify that this does not constitute an endorsement by that specific organization. Any one of these women would be more than happy to provide insight into my leadership, organizational, professional, and team-building skills. Thank you for your consideration.

Sincerely,
Joy Pochatila

With the passing of the inimitable Stew Dunn, the Planning Commission needs continuity as it goes about the business of guiding you on the critical matters of development in the City. At a time when we face numerous financial constraints, that leadership and guidance becomes even more important.

I write this morning to encourage your support of Mindy Lyle in continuing her seat on the Planning Commission. I've worked with Mindy and know her experience and expertise in the construction industry is vital to the mission of the Commission.

I appreciate your consideration.

Thank you for your service to our community.
