Statement of Interest  
I am one of the language teachers at St. Stephen’s and St Agnes School in Alexandria, VA and am also part of the team that organises our travel program. We have a long standing partnership with a school in Bayeaux, France. Bayeaux is located about 30 minutes from Caen, France. Though I am a Spanish teacher, I have always loved France and feel that a partnership is a wonderful opportunity to share culture and build community connections. I feel that being a member of the committee that continues the sister-city relationship would allow me to help foster a greater sense of global community. I will also be able to demonstrate to my students that relationships can be built across nearly 4000 miles. I also hope to add depth and growth to the exchange program at St Stephen’s and St Agnes School.

Statement of Interest

I have always had an interest in archaeology and the study and preservation of all cultures, what remains of their existence and how the past continues to enhance our understanding of the present. I have restored an 18th century home and became intrigued with items that surfaced from the site as I searched for history of the home. I have followed the history of Alexandria and continue to be very interested in local archaeological news and events. While living at Robinson Landing Condos and during the construction of the property, I followed the developments of the discoveries along the river recognizing the importance of preserving and documenting the history of our town. I value history and especially a history as rich and valuable as that of the City of Alexandria. I would like to help in this cause to support and preserve our city's past and help others appreciate what we have..

**Statement of Interest**  
I have been fortunate to serve on several city boards over the last 8 years, including the Planning Commission (January 2019 - August 2021), the Board of Architectural Review (January 2017 - January 2019), and, currently, the Beauregard Urban Design Advisory Committee. My experiences on these boards has been very rewarding and provided excellent opportunities to encourage an appropriate blend of smart development and historic/environmental preservation. I am thankful for my time spent in service of the City and would welcome the opportunity to serve on the BDAC for another term, as my current one is expiring. With a vacancy for a qualified professional member currently available, I would be happy to fill this seat in order to make my current Citizen seat available for a non-professional applicant.

Statement of Interest

I have been involved in issues of sustainability since my initial appointment to the Commission in 2018 and sustainability is now embedded in all Commission goals. I have led many of the Commission's efforts as we sought to brief new member of the City Council about the Commission's goals. As a certified Tree Steward, I have been involved in tree care, tree plantings, removal of invasive vines that damage and even kill trees for over 20 years. Before becoming a resident of the city, in 2016, I served on the Fairfax County Tree Commission for 16 years. During that time, I participated in many land use cases with regard to tree cover and impact on water. All these activities are also part of the Beautification Commission's mandate. I would like to continue to serve Alexandria on the Beautification Commission.

Statement of Interest

To the Commission on Employment Alexandria City, VA Dear Members, I am writing to express my keen interest in joining the Commission on Employment in Alexandria, VA. The city is experiencing a dynamic shift in its workforce landscape, necessitating innovative strategies to address its residents' diverse employment needs. With a growing population and a range of industries, including technology, hospitality, and healthcare, Alexandria requires a concerted effort to ensure that all individuals have access to meaningful employment opportunities. I have observed that many community members encounter barriers to employment, such as a lack of access to training programs, limited awareness of available job resources, and challenges associated with economic disparities, particularly among youth and individuals with disabilities. I believe that utilizing my background in workforce development can help create initiatives that bridge these gaps. My relationships with higher education institutions and my experience in building partnerships between businesses and job seekers uniquely position me to advocate for programs that enhance skills training and promote inclusivity and diversity in hiring practices. I am dedicated to creating pathways for underrepresented groups in our community, ensuring that all Alexandrians can compete in the job market. By partnering with local businesses, educational institutions, and community organizations, I seek to enhance workforce readiness and drive job creation, ultimately benefiting the residents of Alexandria. I look forward to collaborating with fellow board members to develop actionable strategies that reflect the needs of our community and contribute to a thriving economy. Kind regards, Juliana Araujo

Statement of Interest

Dear Committee, I am writing to express my strong interest in serving as a member of the Independent Community Policing Review Board. With a deep commitment to public service and a diverse background spanning policy analysis, technology, and community engagement, I am eager to contribute my skills and experience to the board's mission of fostering accountability and trust between law enforcement and our community. Having recently graduated from the 51st Community Police Academy of the Alexandria Police Department, I gained firsthand insights into policing policies, procedures, and community engagement strategies. This experience has strengthened my understanding of the complexities involved in law enforcement and inspired me to play an active role in bridging the gap between officers and residents. In my professional journey as the Founder and Managing Director of JT Holdings Group LLC and as a Full Stack ML/Cloud Engineer with Mount Sinai Health System, I have consistently applied data-driven strategies to address challenges and deliver impactful solutions. Whether leading digital transformation projects, mentoring small businesses, or managing critical infrastructure, I have honed skills in collaboration, problem-solving, and effective decision-making skills I believe are directly relevant to the work of the Review Board. Additionally, my commitment to community engagement is reflected in my volunteerism with the American Red Cross and my leadership roles in professional organizations such as the Health Information & Management Systems Society. I have worked closely with diverse teams to implement innovative initiatives, always prioritizing equity, transparency, and measurable outcomes. I am particularly drawn to this opportunity as it aligns with my values and expertise. My ability to analyze complex data, navigate sensitive issues, and foster constructive dialogue will enable me to make meaningful contributions to the board's objectives. I am confident that my background in technology and policy, combined with my dedication to public service, will enhance the board's efforts to build stronger, more trusting relationships within our community. Thank you for considering my application. I am excited about the possibility of contributing to the important work of the Independent Community Policing Review Board and would welcome the opportunity to discuss how my experiences align with the board's goals. Sincerely, Jules Pericles Tamegue

Statement of Interest  
To Whom It May Concern, I am writing to express my strong interest in joining the Public Health Advisory Commission. With a background in emergency medical services through the fire department, coupled with my education in Public Health Preparedness, I am eager to contribute my knowledge and skills to the advancement of public health initiatives in the City of Alexandria. Throughout my career, I have developed an understanding of the factors that impact health at both individual and community levels. I have worked on committees such as Forward Fairfax, where I collaborated with stakeholders to develop actionable strategies aimed at improving health outcomes. I am particularly passionate about emergency medical service and its delivery to our cosmopolitan communities. I believe the advisory group’s mission aligns perfectly with my professional goals. I have honed skills in emergency management, which I believe would be valuable to the commission’s work. I am motivated by the opportunity to collaborate with like-minded professionals, exchange insights, and drive meaningful change that will have a lasting impact on public health. I am excited about the potential to bring my perspective to the table and work alongside others who share the same dedication to improving health outcomes and addressing health disparities. Thank you for considering my application. I look forward to the possibility of contributing to the important work the commission is undertaking and helping shape the future of public health in the city of Alexandria. Sincerely, Ramiro H. Gálvez

Statement of Interest

My wife and I moved to Alexandria in 2017. Since then we’ve enjoyed all Alexandria has to offer and have fallen in love with its history, neighborhood, and the community at large. In the last 8 years we’ve not only grown our family but have witnessed the growth of the city. The growth and development has allowed the population density to increase; providing many challenges for both residents and businesses alike. Some of those challenges deal with parking access, new ordinances, and the enforcement of those ordinances. I am passionate about being a good representative for the city and look forward to listening to others as well as sharing my experiences with the board
