Interests & Experiences

Statement of Interest

Councilmembers - My name is Brant Snyder and I respectfully submit the enclosed application for the Budget and Fiscal Affairs Advisory Committee ("BFAAC"). As a native Alexandrian and graduate of Alexandria City Public Schools, I have a deep affection and commitment to the City of Alexandria. I was born and raised in the Del Ray neighborhood and recently moved back to the City with my wife and two children, one of whom is currently enrolled at Jefferson Houston. The City, like much of the region has transformed tremendously over the last several decades, presenting a myriad of opportunities and challenges for the City and its fiscal affairs. Population growth has put pressure on schools and other city services, while the transformation of the office market has impacted the city's commercial tax base, to name a few. It is for these reasons that I am interested in serving on the Budget and Fiscal Affairs Advisory Committee. BFAAC is an important committee for the City, providing support and insight to the City Council on fiscal and budgetary matters. I believe that I can contribute greatly to the Committee due to my unique combination of local roots and business background as a senior commercial real estate executive with extensive financial experience, including in the areas of public-private finance. As Managing Director of Acquisitions at Urban Atlantic - one of the largest Commercial Real Estate Developers in the Washington Metropolitan Region - I serve as the company's investment officer and am responsible for overseeing our strategic plan and sourcing, negotiating and executing new development investments. Furthermore, I have significant experience serving on non-profit boards, including Urban Land Institute (ULI) Washington Governance Committee, the board of the Montgomery Housing Partnership (MHP) and as the President of the Capital Quarter Homeowners Association. This expertise is directly relevant to BFAAC's mission. If selected, I am committed to providing pragmatic, measured and thoughtful insight on budgetary matters. Thank you for your consideration and the opportunity to serve the City of Alexandria and its residents. Sincerely, Brant Snyder
