Statement of Interest/Why You Should Be Appointed

As a current rising senior in high school, I am looking to be a part of the future of our community. Change needs to occur and I would like to be one that helps craft that change. I am very interested in this role as the commissioners of employment are responsible for creating a stable plan for employment for the citizens of Alexandria. I am a very determined, invested, and a committed high schooler. I believe that these traits would help me help the employment issues and plans in our city. I also believe that my past experience of working as a Senate Page last summer at the United States Capital will help me fulfill this role as the youth commissioner. Through being a Senate Page I learned how to discuss different issues in our society, being open minded to new ideas, and how to collaborate with my peers to create solutions and ideas to these issues. I believe that each of these things I learned while being a Senate Page would benefit me greatly to help the employment issues in Alexandria.
