Subject: Tuesday, June 24, 2014 Council Meeting

Here are some docket item questions for staff to be prepared to answer tonight:

1) NO. 8 on Consent Calendar- Consideration of a \$60,094 Local Emergency Management Program Grant

** What is the real purpose of the grant and is this a renewal?
The briefing materials do not provide enough details as to content/use/staffing etc.

2) NO. 9 on Consent Calendar- Habitatat Loan Request

** Is this a loan or a grant to Habitatat or the Buyer, and if so, what are the terms?

3) NO. 34 Resolution for the TFAC Board and Waiver of Utilities and Rent

** If Council decides to do the waiver of \$1376,274, will STAFF be prepared to offer tonight or a later date, an alternative source of revenue or offsetting budget expenditure reduction; or will COUNCIL have to FIND it?

Thanks,
Bill
