## Interests & Experiences

### Statement of Interest

I am currently an Alex Renew board member; this is the end of my term, and I am seeking re-appointment. I have served this past term during many changes - River Renew, COVID 19, and the recruiting, selecting, and on-boarding the new GM/CEO; I feel that I have more to offer this agency as it continues to evolve, as does the population of the City. As one of the only members of the Board who lives in the West End and rents, I feel I bring a unique perspective to our policies and vision. Additionally, I'm one of only two women on the Board, so with respect to diversity, I believe my re-appointment is important.

## SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

---

I have spent my 20+ years in the water sector, specifically in NPDES permitting for both stormwater and wastewater. Most of my career has been spent serving in government at the State and local level, and the rest of my career has been spent in non-profits focused on sustainable management of wastewater and stormwater. I believe my experience brings critical expertise to the Agency during this time of increasingly stringent permitting requirements, less available funding from the State, and uncertainty around management of biosolids and the impacts to the City as a result of climate change.
