5. Describe request briefly:

Request for relief of encroachment on northwest side of house. The existing house is essentially a one and a half story structure with a finished attic. We wish to expand the second floor into a full two story home.

6. If the property owner or applicant is being represented by an authorized agent,

such as an attorney, realtor or other person for which there is a form of compensation, does this agent or the business in which they are employed have a business license to operate in the City of Alexandria, Virginia?

- Yes — Provide proof of current City business license.
- No — Said agent shall be required to obtain a business prior to filing application.

THE UNDERSIGNED HEREBY ATTESTS that all of the information herein provided including the site plan, building elevations, prospective drawings of the projects, etc., are true, correct and accurate. The undersigned further understands that, should such information be found incorrect, any action taken by the Board based on such information may be invalidated. The undersigned also hereby grants the City of Alexandria permission to post placard notice as required by Article XI, Division A, Section 11-301(B) of the 1992 Alexandria City Zoning Ordinance, on the property which is the subject of this application. The applicant, if other than the property owner, also attests that he/she has obtained permission from the property owner to make this application.

Pursuant to Section 13-3-2 of the City Code, the use of a document containing false information may constitute a Class 1 misdemeanor and may result in a punishment of a year in jail or \$2,500 or both. It may also constitute grounds to revoke the permit applied for with such information.

NOTE TO APPLICANT: Only one special exception per dwelling shall be approved under the provisions of Section 11-1302(B)(4).

PART B (SECTION 11-1304)

APPLICANT MUST EXPLAIN THE FOLLOWING:

(Please use additional pages where necessary.)

- 1. Explain how the special exception for the proposed addition, if granted, meets the applicant's needs.**

The alignment of a full second floor will create a more cohesive 2nd floor addition, will present an architecturally pleasing facade and accommodate the needs of our growing family.

- 2. Explain if the special exception, if granted, will harm adjoining properties or impact the neighborhood in any way.**

If granted, the new full second floor modification will not be harmful to the adjacent neighbors and the new addition will be consistent with other properties in the neighborhood.

- 3. Explain how the proposed addition will affect the light and air to any**

If granted, the modest increase in height of the new full second floor addition will not affect natural light to the adjacent neighbors. The neighbor at 2811 sits higher than our property as the street inclines in that direction.

BZA Case # _____

4. Explain how the proposed addition is compatible with other properties in the neighborhood and the character of the neighborhood as a whole.

The special exception will not alter the character of the area or the zone. This area is developed primarily with single-family dwellings of varying heights. The proposal is a modest increase and below the maximum height allowed in the zone. The addition retains the scale and architectural detail of the surrounding community.

5. How is the proposed construction similar to other buildings in the immediate area?

It is a modest second story bump up addition that is in keeping with other houses in the neighborhood.

6. Explain how this plan represents the only reasonable location on the lot to

The alignment of the second floor with the existing northwest first floor will provide needed space on the expanded second floor addition and represents the most reasonable way to gain it for the home.

7. Has the applicant shown the plans to the most affected property owners? Have any neighbors objected to the proposed special exception, or have any neighbors written letters of support? If so, please attach the letter.

Yes

Notes

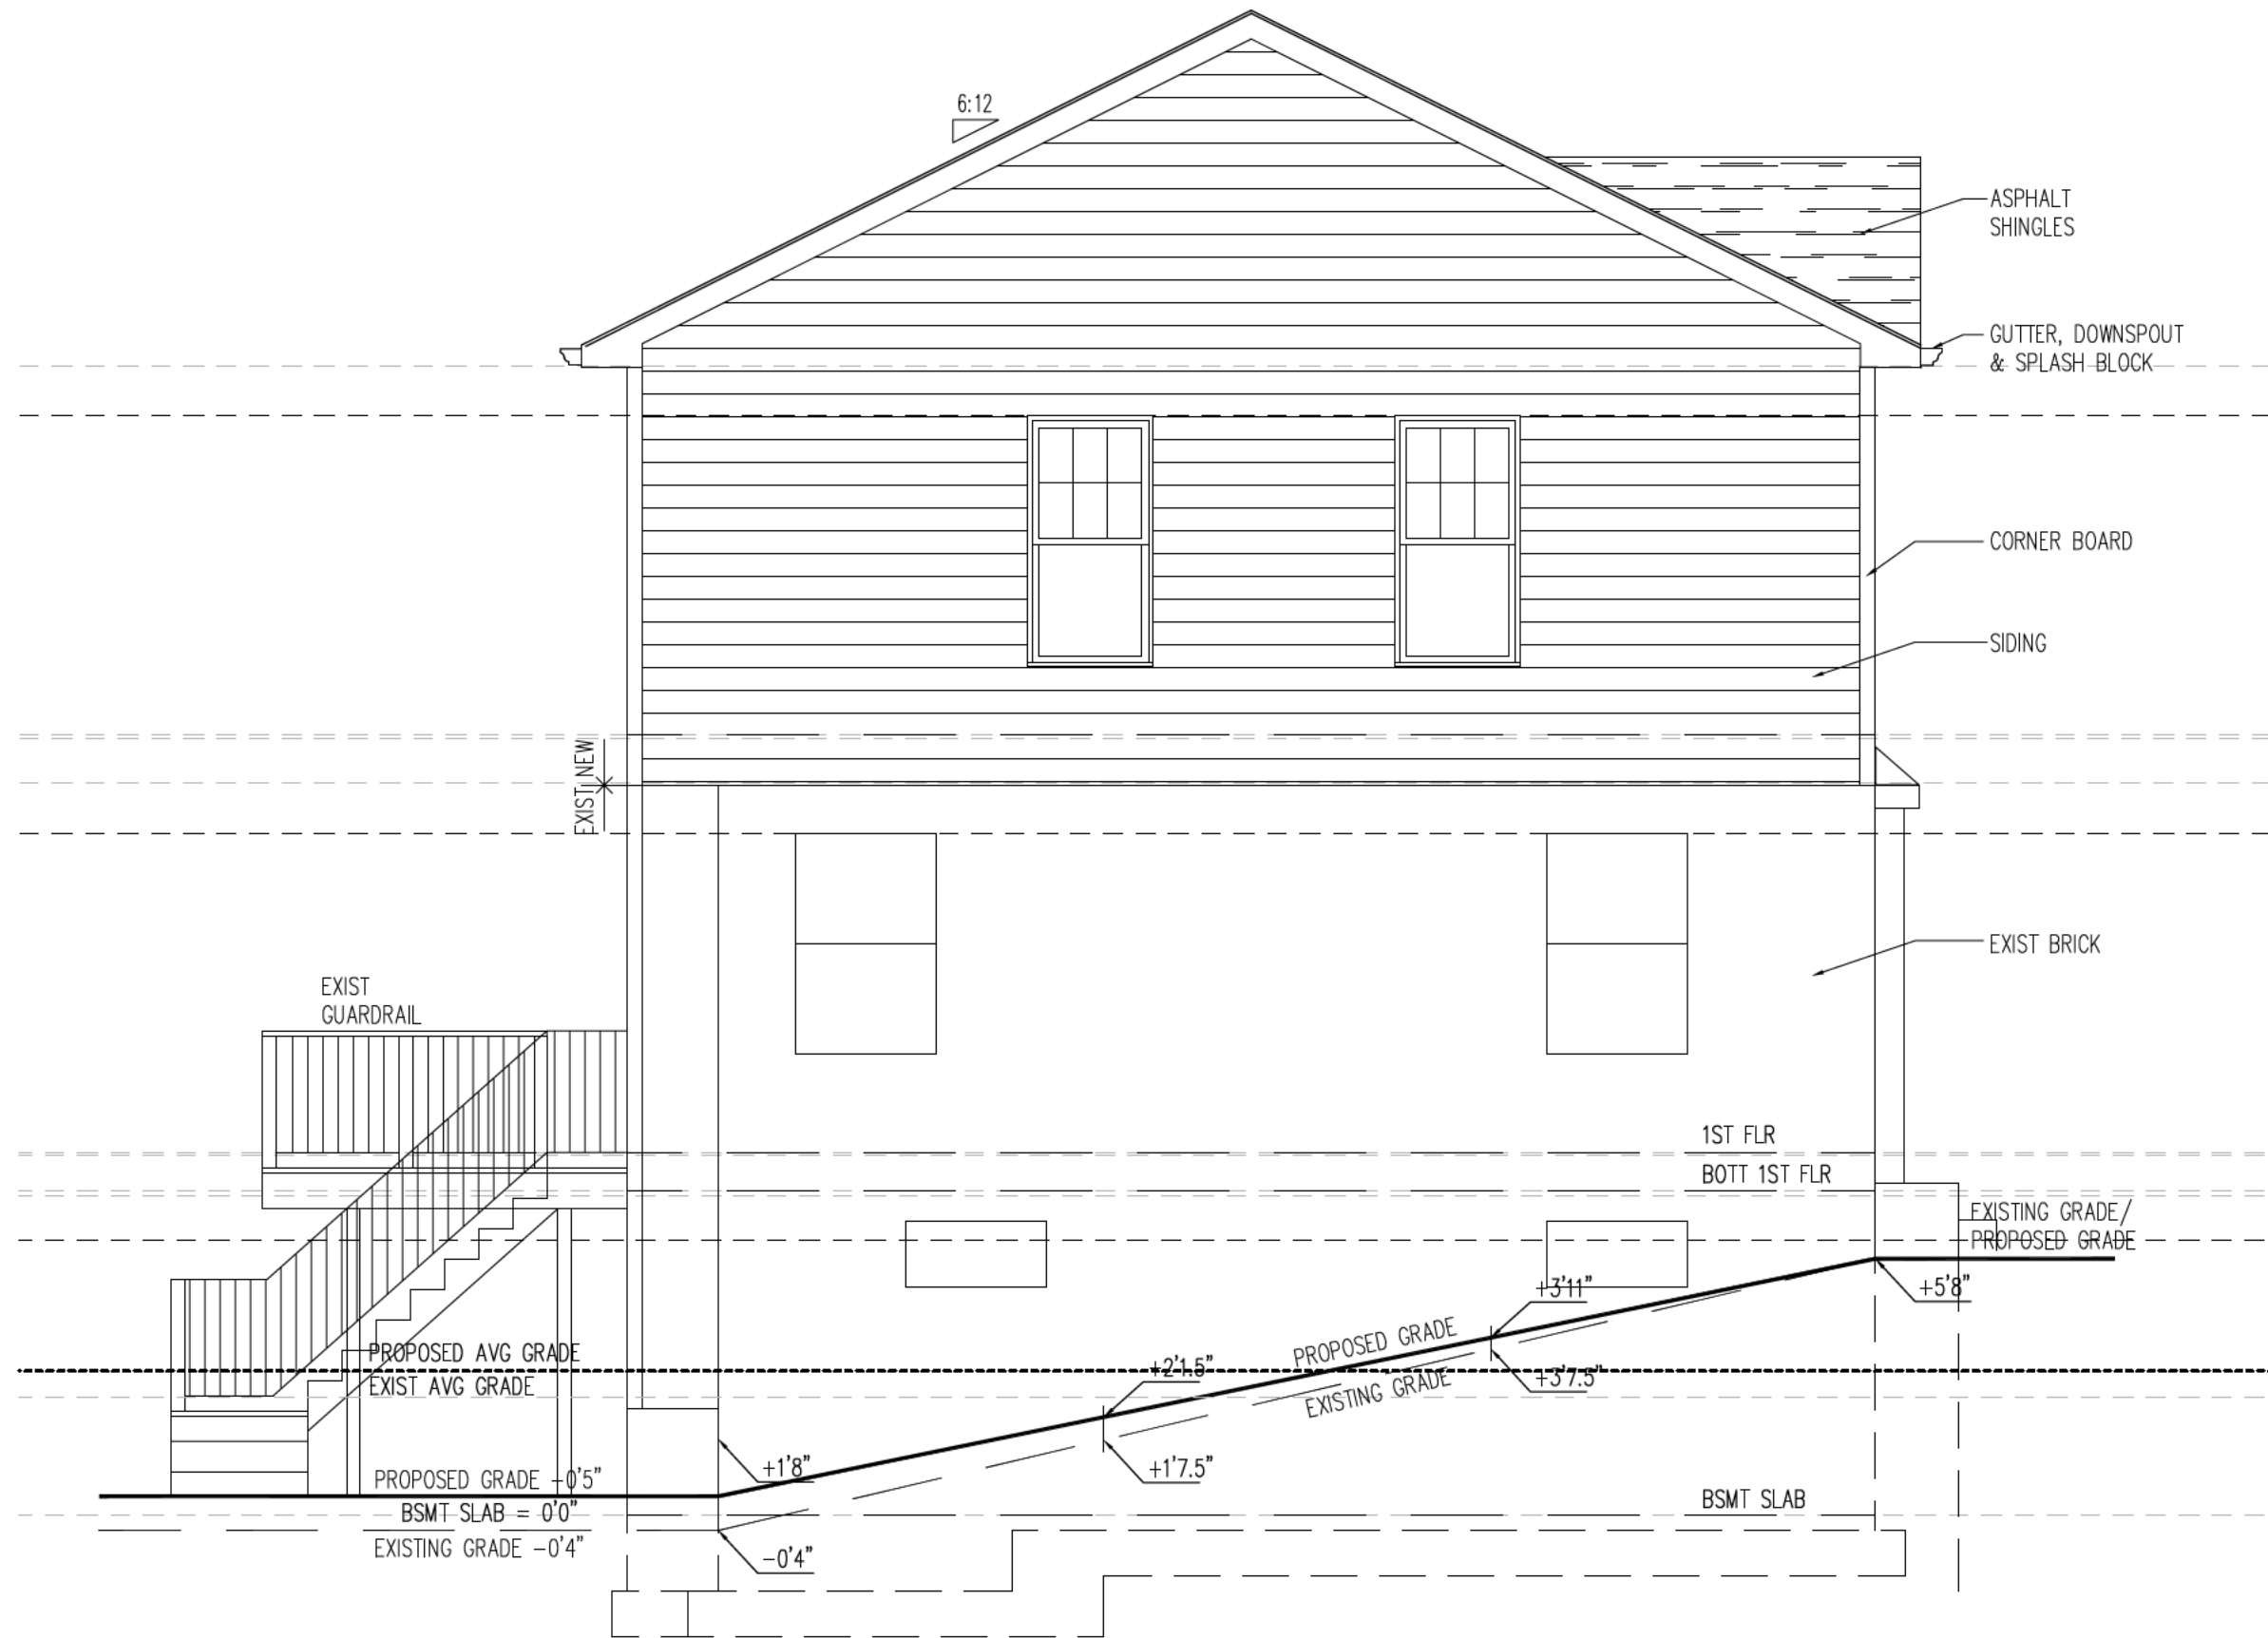

*Gross floor area for residential single and two-family dwellings in the R-20, R-12, R-8, R-5, R-2-5, RB and RA zones (not including properties located within a Historic District) is the sum of all areas under roof of a lot measured from exterior walls.

** Refer to the Zoning Ordinance (Section 2-145(A)) and consult with Zoning Staff for information regarding allowable exclusions. Sections may also be required for some exclusions.

*** Refer to the Zoning Ordinance (Section 2-145(A)) and consult with Zoning Staff for additional allowable exclusions. Additional exclusions may include space under balconies, retractable awnings, etc.

The undersigned hereby certifies and attests that, to the best of his/her knowledge, the above computations are true and correct.
