

City of Alexandria Code of Ordinances ECS Text Amendment

Non-Substantive Changes

Title 5, Chapter 4 – Erosion and Sediment Control

Portions of Section 5-4-1 to Section 5-4-7

Consolidation of the Virginia Stormwater Management Program and Erosion and Sedimentation Control Program

Effective July 1, 2024

Gavin Pellitteri, Stormwater Principal Planner
T&ES Stormwater Management Division

Why are the amendments needed?

- Virginia State Water Control Board / Virginia Department of Environmental Quality consolidated regulations and code for erosion and sediment control and stormwater management
- What does it do: clarify requirements, eliminate redundancies, and correct inconsistencies between program regulations
- No substantive changes to existing erosion and sediment control minimum standards or to the post-construction stormwater management technical criteria are part of this regulatory action. (Notice of Intended Regulatory Action)
- Must be effective July 1, 2024, to coincide with state effective date

Consolidation Requires Text Amendments

- Virginia Erosion and Sediment Control Program (VESCP) + Virginia Stormwater Management Program (VSMP) = Virginia Erosion and Stormwater Management Program (VESMP)
- (ESC) 9VAC25-840 & 850 + (VSMP) 9VAC25-870 = (VESMP) 9VAC25-875
- Changes to Code: definitions, program names, and reference numbers
