Statement of Interest

I first heard of the ABC when I received a letter in 2016 saying that my husband and I were being given a Beautification Award. We had just transformed our front slope of English Ivy into a mostly native plant garden. We were motivated to do that based on my training as a Virginia Master Naturalist in 2012. I understand that the ABC is developing a focus on sustainability, and I would like to help the City's effort in that regard. I am experienced in doing outreach as a Master Naturalist. I table at events and have served as an Audubon At Home Ambassador (going to people's homes and encouraging homeowners to make changes in their landscape to be more sustainable). To the extent I can do more for the community through the Commission, I would like to put my energy toward working with the ABC.

Statement of Interest

Thank you for the opportunity to apply to be on the Beautification Commission. Having lived in Alexandria off and on for the past 30+ years, I always enjoy driving around Alexandria during the different seasons and admiring all the landscaping diversity. Given the amount of clay in the soil, it's no easy feat for even native plants to thrive. It's a labor of love.
