## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

Dear Board Members, As a community manager working in property management industry, and currently serving on my homeowners' community board of directors, I believe I can bring on the table some of my professional experience on the table to help any Alexandria citizens, no matter who they are, who are in need of an affordable housing. In addition, my contribution would also be my way of giving back to the City I call home, to eliminate homelessness' due a variety of reasons, including the financial needs and lack of affordable since the housing in our area keeps on go up. As such, we as a community, need to find the most viable ways to support and assist those who cannot afford a home in Alexandria City, including our men/women policing our community, firefighters, teachers, etc. I hope you will find me a good candidate for the greater good and cause and I look forward to your appointment. Sincerely, Coss Lumbé

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I have been a resident of Alexandria, VA since 2018. As an avid user of public transportation and mobility services, I would like to be more involved in the strategic direction of transportation in our City by having a more active role in supporting the decisions revolving around quality of service, safety, mobility, accessibility, convenience, and public awareness. I have 25 years of experience in transportation engineering, planning, and research, where my current focus is on transportation technologies and innovation at local, state, and federal levels. I have the relevant subject matter expertise, a collaborative attitude, and an adequate level of professional maturity, all of which make me a good candidate to serve on the Alexandria Transportation Commission. As a current civil servant, I am eager to demonstrate that I am very protective of the best interests of the public, I am energized to serve my City, and, I am ready to contribute to improving the quality of life in our City.

I have a very unique background that would provide a diverse and positive aspect to the current board leadership. I have a degree in Environmental Science from the University of Florida with a focus in environmental policy and economics. I have also worked with various non-profits in roles as a business intern, policy advocate, and currently as a grants administrator for the National Fish and Wildlife Foundation. I have taken graduate courses during my undergraduate career in Collaboration and Conflict in Natural Resources, Natural Resource Policy and Economics. I work very well in groups and using systems thinking when determining impacts of environmental policies.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

As the Chair of the Alexandria Archaeology Commission, I believe it is critical to have a strong and collaborative working relationship with other City commissions and boards that focus on historic and preservation efforts for Alexandria. As the stewards of the City's archaeological artifacts, including the ship timbers, it is the goal of the Alexandria Archaeology Commission to interpret and exhibit the artifacts in the most compelling and innovative manner. This is becoming increasingly critical with the return in the next few years of the conserved ship hull discovered at the Hotel Indigo site in 2018. This can best be achieved with consensus and input from sister organizations. After having served on the Historic Alexandria Resources Commission for the past two years, I am increasingly aware of the need for collaboration and identifying the key challenges facing the preservation community for the Commission to effective. I look forward to serving another term to address some of the key issues currently discussed, including the future of the Torpedo Factory and the completion of the Waterfront Museum Feasibility study.

Statement of Interest/Why You Should Be Appointed

I have experience in this Board from current and previous terms. My 12 years with the Old & Historic Board of Architectural Review has also prepared me to handle the unique cases that can occur when there are conflicts with historic preservation and the building codes. I am currently the Chair of the Board. I wish to continue in that capacity for another term.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

---

I am a first-generation college graduate from a working-class family in the hills of East Tennessee. I witnessed and experienced adversity growing up, but thankfully, there was a tight knit community that refused to allow any child to fall between the cracks. Now in adulthood, I want to pay my privilege forward by being a part of this tight knit community and helping support at-risk children and their families in Alexandria, and greater Virginia. Because of my background and natural inclination, I have a deep-rooted passion for public service, especially as it relates to the empowerment of young people—particularly those who have faced adversity. I am a strong believer that the biggest and best investment we can make as a society is by bettering the lived experience of today's youth. That belief is what inspired me to tutor incarcerated students in pursuit of their GED at Montgomery County Correctional Facility, mentor four 6th grade students in an after-school program in the Anacostia community of DC, pursue a position with Teach for America, serve on the Advisory Council for the Fund for Alexandria's Child supporting foster youth, and it is what led me to my current position at an educational non-profit, which provides need-base scholarships to at-risk, socioeconomically-disadvantaged young people. I would cherish the opportunity to serve on the Children, Youth And Families Collaborative Commission and help make a lasting impact in the lives of those children and their families.

## Statement of Interest/Why You Should Be Appointed

---

The reason why I am interested in being appointed is because I believe that everyone who struggled in their community and made a way out is responsible to go back and help that same community. I grew up in the area and had many friends that lived in Alexandria. Many of my friends ended up going down the wrong path and some ended up in jail or dead. I was the lucky one that ended up staying on the straight path. I struggled in school and had many behavior problems growing up. I would have never thought in my wildest dreams I would have gone to college and graduated. I want to be part of the community in order to help all the kids that are just like my friends that I have lost to gun violence or drugs. I want to be a role model to the youth to help empower them and succeed in the future. My name is Abdulahi Omar Abdalla, and I am a product of my environment.

---

Currently, I serve on the GWBCC as the representative of the Board of Trustees of the Friendship Veterans Fire Engine Association (FVFEA) on which I have served for six+ years. I was reappointed by FVFEA to representative them on the Committee. I have: helped raise funds for GWBCC in 2021 to support the GW Parade; helped FVFEA raise funds for the restoration of historic fire fighting equipment; helped organized and worked at the FVFEA annual street festival held in August and the FVFEA George Washington Birthday breakfast held annually. My managerial and fundraising skills honed during my 45+ year professional life as a Certified Fundraising Executive and Certified Association Executive are a great asset to the Committee. I have organized numerous special events including inaugural galas and have raised millions for nonprofit organizations. My professional work experience included: Executive Director of the Goodwin House Foundation (11 years); Vice President of the American Society of Civil Engineers Foundation (12 years); and Director of Development for the National Academy of Engineering (8 years). I know Alexandria well as I have been a resident since 1992, and I currently am active on four Alexandria nonprofit boards -- Alexandria Sportsman's Club (Secretary), Alexandria Fire Foundation (Secretary), Seminary Ridge Civic Association (President), and Friendship Veterans Fire Engine Association.

I'm a life scientist (Ph.D. in biology, Western Michigan University, 2002) and have served as a science and technology policy fellow at NSF and the State Department. Although I am not a health care provider, I worked extensively on COVID-19 prevention and mitigation during my year at the State Department. I have a lot of experience at summarizing scientific, medical, technological, and social-science information for broad audiences, including policymakers and the general public. I'd like to help the community if those skills are needed.

## Interests & Experiences

## Statement of Interest/Why You Should Be Appointed

---

The City of Alexandria is my home where I work, volunteer and live. For the last six years I have been working with the Urban Design Advisory Council, and I have really enjoyed giving back to Old Town North as it continues to redevelops. I would very much like to continue with another appointment to keep giving back to the neighborhood. UDAC is a great fit for me because my background and passion lies in the creation of places and communities - not just buildings. My graduate dissertation and undergraduate thesis both focused on redeveloping land - over long periods of time in colonial urbanization of the United States and on a single redevelopment project of an urban brownfield respectively. My work with the Congress for New Urbanism comes from my passion for mixed-use walkable neighborhoods, and through them I have developed a keen understanding of how places function and what brings activity. My professional work at Kimco and Cooper Carry has included designing and planning for the same mixed-use walkable developments in the Washington, DC metro area, and I am actively involved in projects at all phases of development with local and national developers. These projects continue to give me a realistic understanding of what is appropriate and feasible in the current real estate environment as well as an insight into developers' mindsets. Through my years on UDAC, I have been able to make an impact with my knowledge and understanding of buildings and public realm design. Specifically, in the last few years since the completion of the Old Town North Small Area Plan, I have been able impact the projects that have come forward. Greater potential exists as there are many more redevelopment opportunities in the neighborhood. I am looking forward to continuing to help to make our neighborhood even better than it is today. Thank you for your time and consideration.

As the technical advisor on the Urban Design Advisory Commission, my background as an architect and urban designer (specific details below) gives me the professional credentials to review of projects in Old Town North. Additionally, I am very passionate about making my own community better through my professional knowledge of the built environment, and UDAC is one of the best opportunities I have had to implement this passion in Alexandria.

Statement of Interest/Why You Should Be Appointed

I am a Board Member of the Historic Alexandria Foundation (HAF) and have an interest in matters concerning the City's history, historic structures, and future development. Consistent with hope for the vibrant growth of Alexandria, as a Board Member of HAF, if I am chosen to serve on the Waterfront Commission I will commit to raising awareness of historic preservation issues. I will work pragmatically with Members to address environmental and development issues on the waterfront so as to address risks and opportunities to preserve the City's unique history and historic structures/neighborhoods. I have been interested in historic preservation and urban development since college, where I studied American Studies at Georgetown University.

## Interests & Experiences

Statement of Interest/Why You Should Be Appointed

Living on the 100 block of Duke Street for 19 years near the waterfront, I have always been interested in waterfront activities and changes. Even before we moved to Old Town, my husband and I enjoyed coming to Old Town. In fact, our daughter was married on the Cherry Blossom many years ago. Since its inception I served as a member of the Ad Hoc Monitoring Group on Waterfront Construction. I served on my HOA landscaping committee and report out to the HOA on Waterfront Commission issues that I believe affect them, and I have participated in waterfront walks in response to requests to walk and report issues along the waterfront. In addition to the fact that I enjoy living here and take advantage of the diverse cultural and recreational opportunities Old Town offers, I appreciate the historic significance of Old Town. I was a member of the Waterfront Commission for the past 2 years.

**Non-Discrimination Data Supplemental Questions  
For Applications to City Boards, Commissions, and Committees**

Completion of this section is **VOLUNTARY**. When completed, the section is separated and redacted from your application prior to the application's submission to City Council. **COUNCIL AND STAFF DO NOT USE THIS FORM IN DETERMINING APPOINTMENTS.** Information provided in this section is treated confidentially and the information is forwarded to the Alexandria Office on Human Rights for compilation of statistics. One responsibility of the Human Rights Commission (HRC) is to track whether the diversity in our City's population is reflected in appointments made to boards, commissions, committees and authorities; the HRC does this using only data supplied on this form. The HRC reports statistics only to Council.

The HRC's main role is to ensure discrimination does not occur in our city based on race, color, sex, religion, ancestry, national origin, marital status, familial status, age, sexual orientation or disability with respect to housing, employment, public accommodations, health and social services, education, credit or city contracts.
