Alexandria has been my home for over 20 years, most recently in Old Town, where I enjoy our museums, parks, and my own garden. We are raising our son here. It is such a rare treat and joy to live in a place whose local history is an integral part of state, national, and international experience. EDUCATIONAL BACKGROUND

I am originally from Almaty, Kazakhstan (now a US citizen). In high school, I was an exchange student in Indianapolis, IN, and that experience inspired me to wish to continue my education in the United States. Thanks to scholarships, I was able to complete my undergraduate degree at the College of Saint Elizabeth in NJ and obtain a Master's degree at Georgetown University's School of Foreign Service.

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

I built my career in the nonprofit sector, first in a health policy think tank and then at the American Psychological Association (APA). I have been with APA for nearly 13 years as part of its international scholarly publishing arm. I currently lead a team of Author Marketing and Business Development, which helps grow APA's Journals, Books, and Databases. In my personal time, I enjoy exploring this area's art museums, as well as historic and natural places (my wanderings are recorded on Instagram as @transplantedtatar). I am an avid gardener, focusing in particular on native plants. In the past 7 years, I've transformed our barren Old Town yard into a thriving ecosystem.

Interests & Experiences

Statement of Interest

I have lived and served in the City of Alexandria for the last 15 years. Over those years, it has been a signal honor to interact with our city agencies and learn how city services and departments provide meaningful support to citizens, small business, and investments infrastructure so that our city can grow and thrive. At the heart of my continued interest in service to Alexandria is my desire to support our approach to fiscal policy. Like so many cities across the United States, Alexandria has weathered a pandemic, economic downturn, and population growth. Although the United States recently signaled stronger economic and fiscal recovery, post ARPA and recovery support, Alexandria is in an important position to establish sound policies to support our future. I hope to bring my experience from the federal government and my service on boards and commissions in Alexandria to be of service to the Council and city staff.

Interests & Experiences

Statement of Interest

As a citizen of Alexandria and public servant, I aim to add value to the city's growth by donating my time and talents to the city in every suitable way. I truly believe in the power and importance of public service, and I have dedicated a majority of my professional career to public service through roles at both the State and Federal levels. In these roles I served as an Accountant and Auditor; both capacities provided extensive experience in analyzing financial statements and records. Currently, I work as an Audit Manager for the U.S. Department of the Treasury, Office of Inspector General. In this role I regularly contribute to the development of my directorate's annual budget request. I also engage with other members of the Federal Government community to ensure audit activities meet the expectations of congressional mandates and support my agency's mission. Outside of my professional role, I participated in the Fall 2022 cohort of the Alexandria City Academy. During my time with the academy I developed a strong appreciation for the city of Alexandria's efforts to engage and support its citizens. I have also served as an elections officer for the November 8, 2022 election, attended multiple City Council Meetings, and attended multiple Budget and Fiscal Affairs Advisory Committee meetings. I believe my professional knowledge and experience, commitment to public service, and engagement with the city, qualify me as a viable candidate for the Budget and Fiscal Affairs Advisory Committee. If appointed, I am dedicated to using my skills to advance the committee.

Statement of Interest/Why You Should Be Appointed

I am a resident and feel strongly about the continued tradition of offering art programs. It helps promote culture and creativity in the community. As an advisor I can help to bring more public art to the city, making the city more appealing to tourists and residents while supporting local artists and the local art market. I believe art can be used to address social and political issues that are relevant to the community. This enhances the sense of community and identity through the creation and appreciation of shared cultural experiences. As art advisor I can help to manage public art projects, ensuring that they are well-planned and implemented effectively. Art can be used to improve the physical environment of the city and create more attractive public spaces. It has been proven that art has been shown to have a positive impact on mental health and wellbeing, improving the quality of life for residents. By working with artists and cultural institutions, as an art advisor I can help to create educational and cultural programming that benefits the community. Art is an important part of the human experience, and bringing more of it into the city can enrich the lives of its residents. I have been an entrepreneur for 45+ years as well as an art instructor covering all types of art.

Statement of Interest/Why You Should Be Appointed

I have worked my way up to a leadership position in Senior Services of Alexandria over the last 3 years and I continually strive to deeply understand the senior landscape in our city. I offer a unique perspective through my work with hundreds of volunteers and close to 250 total senior clients in the programs I direct. Meals on Wheels and our Grocery Delivery program both aim to bring food to senior's homes and allow them to age in place. My aim is to continue finding ways to make Alexandria a better place to age for seniors, and finding creative solutions in a rapidly changing world. Although I am early in my career in Alexandria and I still have a lot to learn, the Commission on Aging would be a great opportunity for me offer fresh perspectives and collaborate with other professional and senior-focused individuals.

As a Gay Male I have constantly been nervous about HIV, and other preventable STDs. Ive been taking Discovy regularly for years and have first hand knowledge of what it takes to talk to friends about how to get on the medicine and what regular testing is required. I have seen first hand how when talking with medical doctors their lack of current knowledge about new PrEP Medications such as Apertude and the difficulty of finding this drug which significantly lowers the burden from taking a daily pill to a quarterly shot. I want to work to make it more known how easy it is and usually FREE to get discovy or Truvada for the high risk population and to encourage doctors to learn about all three current PrEP Drugs on the market and make sure its readily available in their offices.

Interests & Experiences

Statement of Interest

I am a member of Old Presbyterian Meeting House--and was asked by Tobin Tracey (former member of the commission) if I would be interested. He knew that I had an interest, based on the fact that I had restored historic houses in the past (in Alexandria and my hometown in South Carolina). I have served as a volunteer for the Historic Black Elks Lodge #48, trying to help them restore their headquarters at 227 N. Henry Street here in Parker-Gray. I have successfully procured two grants from the Historic Alexandria Foundation, and along with another volunteer, succeeded in having the Elks Lodge placed on Preservation Virginia's "Most Endangered Historic Places" list for 2020. Work is still ongoing.

If yes, how long?

ca. 22 years

Have you ever attended a meeting of the Board or Commission for which you are applying?

Yes No

Have you ever served the City of Alexandria in any capacity?

Yes No

If yes, please explain

I am on a renewal term with the AHRPC and have represented AHRPC on HARC in the past. My second term on HARC expires in September on the HARC two-year appointment. This would be an appointment to HARC for a third term representing the AHRPC. President of AHRPC was pleased if I would renew my term to serve on HARC.

Interests & Experiences

Statement of Interest

I have a historic preservation and archaeology background in a prior career in the federal government being responsible for Section 106 compliance under the Nat'l Historic Preservation Act and other preservation related statutes and policy. I have a career in mediation now and I have married my interests and passions in both fields to achieve solutions on the two Alexandria commissions that balance the interests of all stakeholders involved and at the same time ensuring compliance with the roles and responsibilities of each commission.

If yes, please list the board:

Alexandria Historic Restoration and Preservation Commission

How many terms have you served on this board?

On my third term with AHRPC--applying for my third term with HARC.

If you have served more than two consecutive terms on this board, please state the specific qualifications you possess which merit consideration for continued service:

I raised with Gretchen Bulova, Director, OHA whether I was eligible or not for a third term on HARC. I thought my term ended after two terms. Ms. Bulova said it was fine to reapply and was encouraging if I wanted to serve again. I raised it with the Chair of the Commission on which I serve, AHRPC, and the Chair was appreciative if I would reapply for HARC and in her words stated, "because I was doing such a good job." (Again, AHRPC's words, not mine. :-)) I am committed to serving because I think the commissions in Alexandria are challenged lately or at least the ones I am familiar with, have been having trouble filling vacancies. It's also been rewarding to work with dedicated people who devote their free time to the City's visual and symbolic historic and archaeological landscape. The Commissions on which I serve are very important at the moment as resources are challenged on a number of fronts and there's a crucial need to do things right by resources and the citizens of and newcomers to Alexandria without compromise--the goal is win/wins.

Which Boards would you like to apply for?

Northern Virginia Regional Park Authority: Submitted

Which position are you applying for?

Citizen member

Demographics

Do you currently live in the City of Alexandria? NOTE: If your answer is no, a residency waiver is required for positions that are not specific to an organization or profession.

Yes No

If yes, how long?

44 years

Have you ever attended a meeting of the Board or Commission for which you are applying?

Yes No

Have you ever served the City of Alexandria in any capacity?

Yes No

If yes, please explain

I have served on several City boards and commission as a citizen member. From 1995-1997, I served on the Environmental Policy Commission as a student member until I resigned to attend college. I served on the Board of Directors of the Alexandria Transit Company from 2007 to 2010 and served on the Alexandria Transportation Commission as chairman from 2008 to 2010 when I left Alexandria to join the U.S. Army on active duty. I was appointed to the Board of Zoning Appeals in March 2015 and served on it until 2017, when my MBA program had scheduling conflicts with Board meetings.

Interests & Experiences

Statement of Interest

I currently serve as Vice Chair of the Board and there is a strong likelihood I may be appointed as Chair in January if City Council wishes for me to continue service on this Board. Our regional parks are vital assets and Alexandria needs strong representation on NVRPA to make sure that our citizens' interests are served. My prior service on the Alexandria Environmental Policy Commission, Alexandria Transportation Commission and Virginia Recycling Markets Development Council make me well suited to assist in the governance of this body. I have a strong interest in the outdoors and our regional parks. Our citizens deserve to make sure that they know about these resources, that they are accessible to all, and they are well maintained when Alexandrians utilize them. The NVRPA properties are spread throughout a diverse geographic area and we recently added a third, Winkler, in Alexandria. I'd like to make sure that our citizens know what is available to them. Finally I believe I bring some relative youth and diversity to the NOVA Parks Board.

Are you currently a member of a City Board, Commission, Committee or Authority?

Yes No

If yes, please list the board:

NOVA Parks

Sean Kumar

How many terms have you served on this board?

2

If you have served more than two consecutive terms on this board, please state the specific qualifications you possess which merit consideration for continued service:

I have served on the Executive Committee of the Board for about 4 years, currently as Vice Chair. If tradition holds, I will be appointed as Chair of the Board this January. I have worked hard to develop, and in some cases repair, relationships between NOVA Parks personnel and past and present key City stakeholders (Council members and leadership on the City Parks Commission). Additionally, my education (JD and MBA) and current job (Corporate Strategy) make me an asset to the governance of this organization with a large budget, staff, and footprint in the region.

All other absences are recorded as unexcused. In light of the aforementioned statement, will you be able to attend at least 75% of the regular meetings of the board which you may be appointed?

Yes No

SUMMARY OF WORK AND PRACTICAL EXPERIENCE:

As part of Visit Alexandria's senior leadership team, I help guide our organizational vision, strategy and goals, and have spearheaded Alexandria's breakthrough national awareness through new content strategies and gaining "Best Cities to Visit" accolades in top travel publications. We promote the city's waterfront, attractions, independent restaurants and shops, art and history experiences, hotels and special events to attract leisure visitors, meetings, weddings and groups. I lead the organization's communications department across media relations, social media, web content, visitor guide development, video/photo shoot production and city film office coordination. If yes, please explain

I am a 27-yr Old Town resident and homeowner. When I had military assignments elsewhere, I maintained my home and home of record here. I have been very active over several years as a volunteer with Alexandria's Community and Human Services in the areas of homeless veterans and domestic violence. I attend all meetings with the homeless committee and give a military oversight to veterans seeking assistance, make suggestions of other types of assistance in cases that are out of the norm, and watch for signs of abuse of the system. When the domestic violence coordinator puts out a call of someone with a need, I work with my contact list to find and collect the items or services needed, or provide them myself. I established an ad hoc neighborhood watch program in my neighborhood of Quaker Hill. We use it for more than security. It has brought all of us together and gives us a feeling of community in spite of everyone's busy lives. Our model has expanded into our surrounding areas as well. I am very involved and stay in close touch with the happenings in our City. As our current Mayor and previous Mayors will attest, I give frequent feedback on issues, likes/dislikes, let them know of problems occurring, and make many suggestions. Formerly, for many years, I served as a very active volunteer at George Washington's Mount Vernon Estate and Gardens.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I have served as a member of the Waterfront Commission for the past 2 years. We stopped in-person meetings soon after I was appointed, so I have mostly participated virtually. I look forward to working now in a normal fashion together with my colleagues. I am a retired senior military officer, a lifelong boater, and current member of the Coast Guard Auxiliary. In this current role, I am interested in particular in flood and debris mitigation, and the connection between them. Not only will improvements in these areas help the health of our City and wildlife, but will at the same time aid local boaters and the Coast Guard by improving boating safety and, hopefully, reducing the number and severity of rescue and assist calls. Of course, being a long-time resident of the Old Town area, I am very interested that the direction of future waterfront park and area improvements maintains our historic culture and health of our natural environment. I am very pleased with what has been done to date.
