Interests & Experiences

Statement of Interest/Why You Should Be Appointed

A little over one year ago my wife and I purchased our home in Del Ray. Since that time I've learned what a fantastic community exists here and in Alexandria at large, and I've been looking for a way to get involved. I would look forward to joining the Archeological Commission to take that passion for preserving what makes Alexandria so special and combine it with my experience in PR and Marketing here in the DC area to hopefully help educate and get others excited about the valuable resources we have at our disposal. In particular I think there are opportunities to tell the Archaeology story in the press and other avenues that may have not yet been explored. I've also watched some recordings of past meetings and it seems like the commission is already served by an experienced and dedicated group of folks who I think would be great to learn from and help build exciting things with.
