Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am seeking appointment to a City of Alexandria board or commission because I deeply care about building a community where people can both afford to live and feel culturally connected to the place they call home. My interest in affordable housing comes from my own lived experiences navigating housing challenges. I understand firsthand how housing stability affects not just finances, but mental health, family security, and one's ability to fully participate in the community. I want to help ensure that Alexandria remains a city where residents from all backgrounds have access to safe, affordable housing and a real voice in the policies that shape their lives. I am also passionate about arts, culture, and historic preservation. Art has always been one of my favorite hobbies, and I see it as more than entertainment — it is a way to bring people together, tell our city's stories, and preserve the identity of Alexandria for future generations. I believe cultural and historic spaces should be inclusive, accessible, and reflective of the diverse communities that live here today. My interest in public service is also inspired by my family. My mother began her civic service on a board of commissioners in the Town of Dumfries and now serves on the Town Council. Seeing her commitment to local government showed me the powerful impact residents can have when they step forward to serve their community. Having lived in Alexandria for the past three years, I am committed to learning, listening, and contributing thoughtfully. I bring a community-centered perspective, a willingness to collaborate, and a genuine desire to serve with integrity. I would be honored to support the City Council and fellow residents by helping shape policies and initiatives that strengthen Alexandria as an inclusive, vibrant, and affordable place to live
