Interests & Experiences

Statement of Interest

I have lived in Alexandria since 1976, and in Old Town since 1983. I have had the pleasure of living along the waterfront since 2012. To me, the waterfront is one of the best features of our city. I walk along it almost every day (often from my home to the southern end of National Airport) and would love to continue to contribute to the commission that focuses on ensuring that the waterfront remains a key part of the vitality of the city. Since I retired from the Federal Reserve Board several years ago, I have looked for opportunities to give back to the community I so love. I chaired Carpenter's Shelter's board of directors from 2015 to 2019, when I became term-limited in that position, and then served as Carpenter's treasurer until I rotated off the board in June 2020. I serve as the treasurer of the Harborside board, which represents the community where I live. I recently joined the board of directors of the Alexandria Seaport Foundation, and serve on the Community Investment Committee and Finance Committee of ACT for Alexandria. Working on the Waterfront Commission would be a great fit for both my interests and my talents.

Interests & Experiences

Statement of Interest

My wife and I recently moved to Old Town, Alexandria, and we are interested in getting involved in the community. I checked the Boards and Commissions Vacancies through the Alexandria City website, and I'm interested in the Waterfront Commission. Our home is located on the water in the Harborside Development, across the street from Windmill Hill Park. The waterfront is a critical part of our everyday lives, and I have the time and energy to make a real impact. I have contacted the OTCA and asked about their interest for a representative. Please let me know if there are any positions available. Thank you, William Vesilind
