Considerations, Benefits, & Recommendation

Considerations

- Stormwater Management: 60% more phosphorous removed than required
- Transportation: streetscape improvements, re-use of existing parking, layby, and landscape screening
- Schools: net new students (12)

Benefits

- Seven (7) new affordable housing units
- Office to residential conversion compliant with Green Building policy
- Enhanced streetscape incl. new bus shelter
- High quality architecture
- Contributions to Urban Forestry, OTN Implementation Fund, Bikeshare, Affordable Housing, and Public Art

Recommendation

Staff and Planning Commission recommend **approval** of the request subject to the conditions in the report.
