Statement of Interest

To Whom This May Concern: I am writing to express my enthusiastic interest in joining the Alexandria Environmental Policy Commission! Having lived in Alexandria for the past five years, I have developed a profound appreciation for our city's unique environment and a strong commitment to enhancing it. My involvement with the Beautification Commission over the last two years has given me invaluable experience in community engagement and environmental advocacy, which I am eager to apply to the Environmental Policy Commission. During my tenure on the Beautification Commission, I have had the privilege of serving as the chair of the Awards Subcommittee. In this role, I have overseen the 2022-2023 and 2023-2024 awards process, ensuring that our recognition aligns with our commitment to sustainability and environmental stewardship. This role has allowed me to engage deeply with various community stakeholders, championing initiatives prioritizing environmental responsibility and enhancing our city's aesthetic and ecological health. Our recent focus on integrating sustainability into our award criteria has underscored the importance of environmental practices in every aspect of community life. We have worked diligently to highlight and reward residents and projects that exemplify sustainable practices, fostering a culture of environmental consciousness. Additionally, the Beautification Commission has liaised with the city council to advocate for policies that support our environmental goals, ensuring that our initiatives align with the broader objectives of the city's environmental strategy. The opportunity to serve on the Environmental Policy Commission will deepen my understanding of Alexandria's complex challenges and opportunities in environmental policy. I am particularly drawn to the Commission's role in shaping and implementing policies that address climate change, promote sustainability, and protect our natural resources. I am eager to contribute my experience and passion for environmental advocacy to help advance these important goals! Thank you for considering my application. I am excited about bringing my community engagement and sustainability background to the Environmental Policy Commission and contributing to Alexandria's ongoing efforts to create a greener, more sustainable future! Warmly, Yanique M. Revers
