

City of Alexandria

Transportation Alternatives (TA) Set-Aside Grant Application

City Council Legislative Meeting

June 10, 2025

Summary

Request

- City submission for Transportation Alternatives grant funding

Council Action

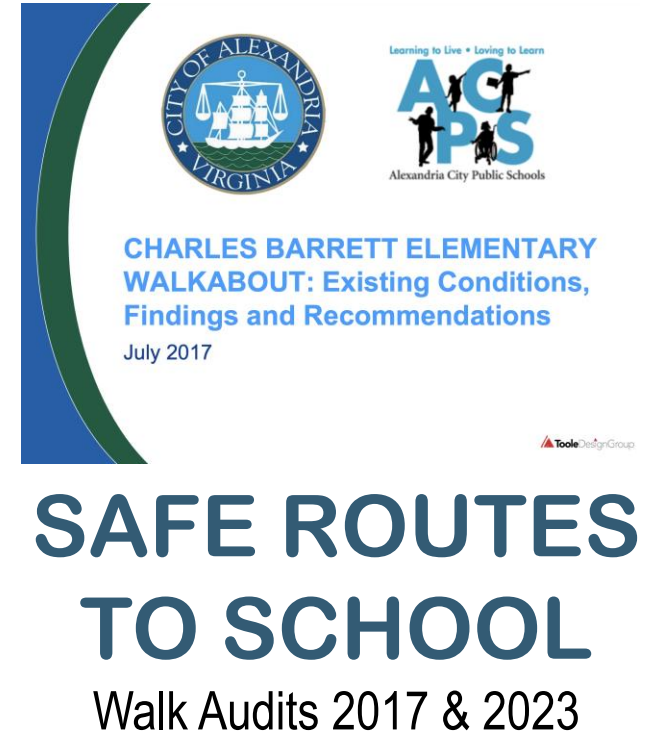

- Approve grant submission
- Allow City Manager to enter grant agreements

Key Elements of Discussion

- Safe Routes to School safety improvements near two schools

Plan Alignment

Background

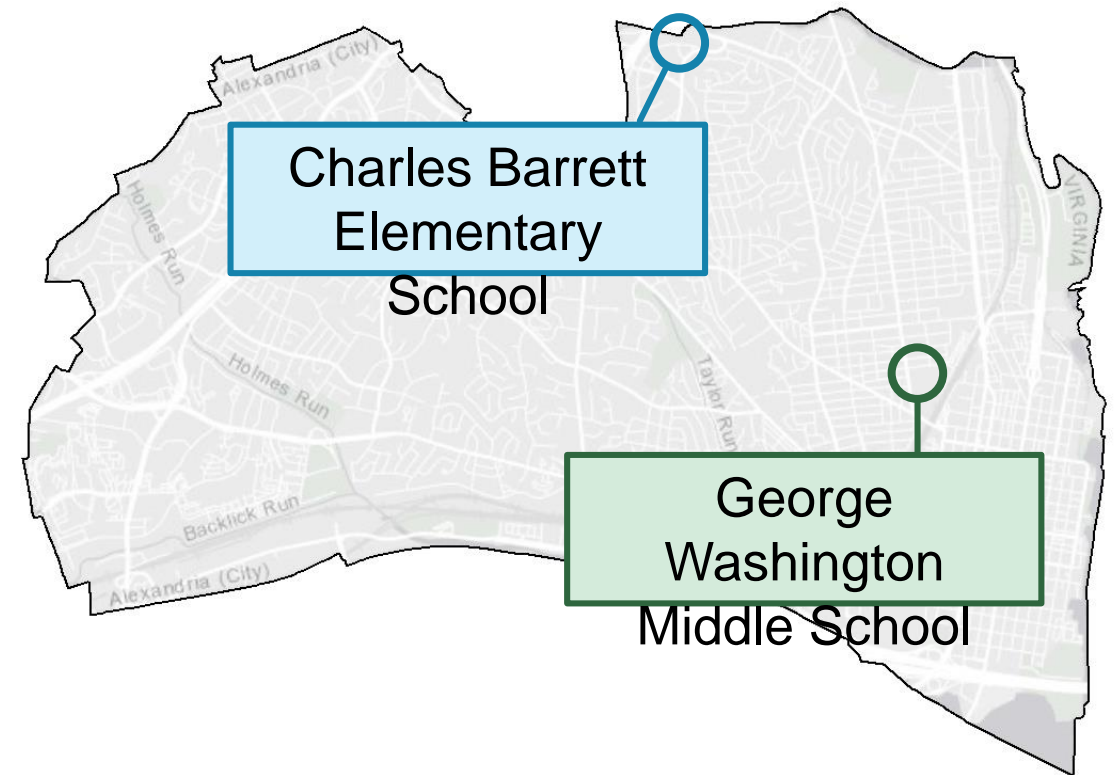

Project

Safe Routes to School (SRTS)

Crossing Improvements Near Schools – Phase 2

Improvements include high-visibility crosswalks, raised crosswalks, slip lane closures, concrete curb extensions, and enhanced bus platforms.

Funding Request	Local Match	Local Match Source
Up to \$3.125 million	Up to \$625,000	SRTS CIP FY26-35

Recommendation

That the City Council approve a resolution to:

1. **Support** submission of grant application for up to \$3.125 million for SRTS Crossing Improvements Near Schools Phase II Project; and
2. **Authorize** the City Manager to enter agreements and execute documents that may be required
