Statement of Interest/Why You Should Be Appointed

There is a position on the Waterfront Commission reserved for an Alexandria Marina Pleasure Boat Slip Holder. I am a slip holder and seek to replace the current representative from the marina, Jerry Bennis, when his term expires in June. He will not be applying for another term. I am filling out this form at the direction of Jack Browand (Deputy Director of Park Services) and Michael Durham (Dockmaster). I'm a very active member of the Alexandria community as well as the marina and am looking for ways to become more civically engaged. I have lived in Alexandria for 17 years and am a homeowner and landlord in Old Town. I believe the board would benefit from my participation because I am genuinely interested in the success and vibrance of the waterfront in Alexandria. I understand how complex and controversial the waterfront area and plan have been over the past several decades. I also understand what challenges are ahead with a changing climate that will impact our waterfront. The next phase of the Waterfront Plan implementation will require board members who are engaged and balanced and I am confident I bring those qualities to the table. I am also committed to keeping the other slip holders informed of progress and how they might be able to help or be involved.
