Re: Docket Item No. 7, DSUP #2014-0021, 3150 Jefferson Davis Highway  
Jack Taylor's Alexandria Toyota's Request to Add Service Hours

Dear Ms. Escher,

Thank you in advance for all your work on the above referenced matter, including the Staff Recommendation of approval of most of the request for the additional service hours made by the Applicant, Jack Taylor's Alexandria Toyota. The Applicant greatly appreciates the recommendation to add one hour during the week until 9 p.m. In addition, the Applicant welcomes Staff's recognition that the automotive service industry has changed since the dealership opened over a decade ago and now Sunday hours are warranted.

Staff has recommended Sunday hours of noon to 6 p.m. The Applicant requests one change to the recommended condition no. 2, in that the Applicant would like to begin service hours on Sundays at 10 am. Doing so would permit the dealership to have a full 8 hour shift for its employees on that day as well as permit it to best serve its customers. The additional condition requiring the service bay doors to be closed during business hours except for the necessary ingress and egress of vehicles (new condition no. 4) ameliorates any impact the additional hours may have on any nearby properties.

We thank you in advance for your consideration.

Sincerely,

Mary Catherine Gibbs
