WHEREAS, the opioid epidemic that has cost thousands of human lives across the country also impacts Alexandria by adversely impacting the delivery of emergency medical, law enforcement, criminal justice, mental health and substance abuse services, and other services by Alexandria's various departments and agencies; and

WHEREAS, Alexandria has been required and will continue to be required to allocate substantial taxpayer dollars, resources, staff energy and time to address the damage the opioid epidemic has caused and continues to cause the citizens of Alexandria; and

WHEREAS, eight settlement proposals have been negotiated that will cause eight opioids manufacturers, Alvogen, Inc., Amneal Pharmaceuticals, Inc., Apotex Corp, Hikma Pharmaceuticals USA, Inc., Indivior Inc., Mylan Pharmaceuticals Inc, Sun Pharmaceutical Industries, Inc., and Zydus Pharmaceuticals (USA) Inc. (collectively the "Manufacturers") to pay approximately \$720 million nationwide to resolve opioid-related claims against it; and

WHEREAS, Alexandria has filed suit against certain of the manufacturers and their related corporate entities for their role in the distribution, manufacture, and sale of the pharmaceutical opioid products that have fueled the opioid epidemic that has harmed Alexandria; and

WHEREAS, the City's suit seeks recovery of the public funds previously expended and to be expended in the future to abate the consequences and harms of the opioid epidemic; and

WHEREAS, the City has approved and adopted the Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding (the "Virginia MOU"), and affirms that these pending settlements with the Manufacturers shall be considered a "Settlement" that is subject to the Virginia MOU, and shall be administered and allocated in the same manner as the opioid settlements entered into previously with the Distributors, Janssen, Teva, Allergan, Walmart, CVS, Walgreens, and Kroger; and

WHEREAS, the City's outside opioid litigation counsel has recommended that the City participate in the eight settlements in order to recover its share of the funds that the Manufacturers settlements would provide; and

WHEREAS, the City Attorney has reviewed the available information about the proposed settlements and concurs with the recommendation of outside counsel; and

NOW THEREFORE BE IT RESOLVED that the Alexandria City Council, this 9 day of September 9, 2025, approves of the City's participation in the proposed settlements of opioid-related claims against the Manufacturers and their related corporate entities, and directs the City Attorney and/or the City's outside counsel to execute the documents necessary to effectuate the City's participation in the settlements, including the required release of claims against the Manufacturers.
