N 

I. DISCUSSION

The applicant, 22 Wyatt, LLC, represented by M. Catharine Puskar, attorney, requests approval to re-subdivide three existing lots at 22 West Wyatt Avenue into two lots. Staff recommends approval of the subdivision request.

SITE DESCRIPTION

The subject property, featured in Figure 1, below, contains three rectangular lots of record, located at 22 West Wyatt Avenue. Altogether, the three lots have a size of 7,496 square feet, a width of 75 feet, and frontage of 75 and 100 feet along West Wyatt Avenue and Sanford Street, respectively. Townhouse, two-unit, and single-unit dwellings surround the subject property. A single-unit dwelling currently occupies the subject property.

Figure 1 – Subject property (outlined in blue)

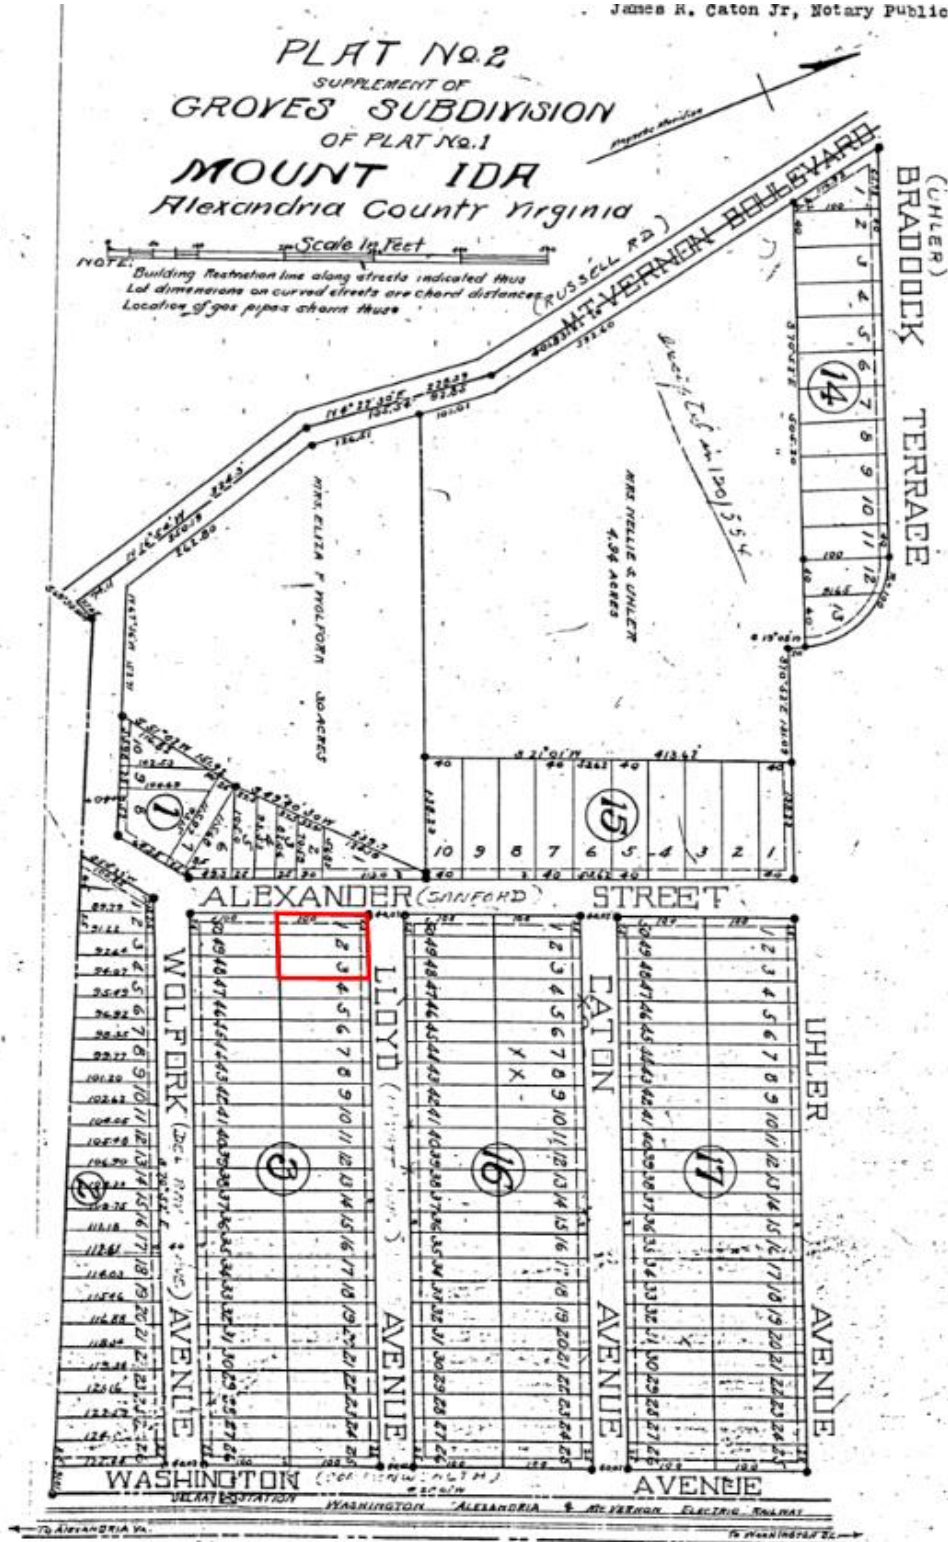

SUBDIVISION BACKGROUND

The subject property was created with a supplemental plat to the Groves Subdivision of Mt. Ida on April 29, 1909. See original subdivision plat in Figure 2, below.

James K. Caton Jr, Notary Public

Figure

2 -
Original

Subdivision (subject property in red)

PROPOSAL

The applicant requests approval to re-subdivide Existing Lots 1, 2, and 3 into two lots. Each lot would have a lot size of 3,748 square feet and a lot width and frontage of 37.5 feet. Proposed Lot 502 would also have 100 feet of frontage along Sanford Street. Both lots would be rectangular in shape. The existing dwelling would be demolished. The existing and proposed lots are shown in Figures 3 and 4, below.

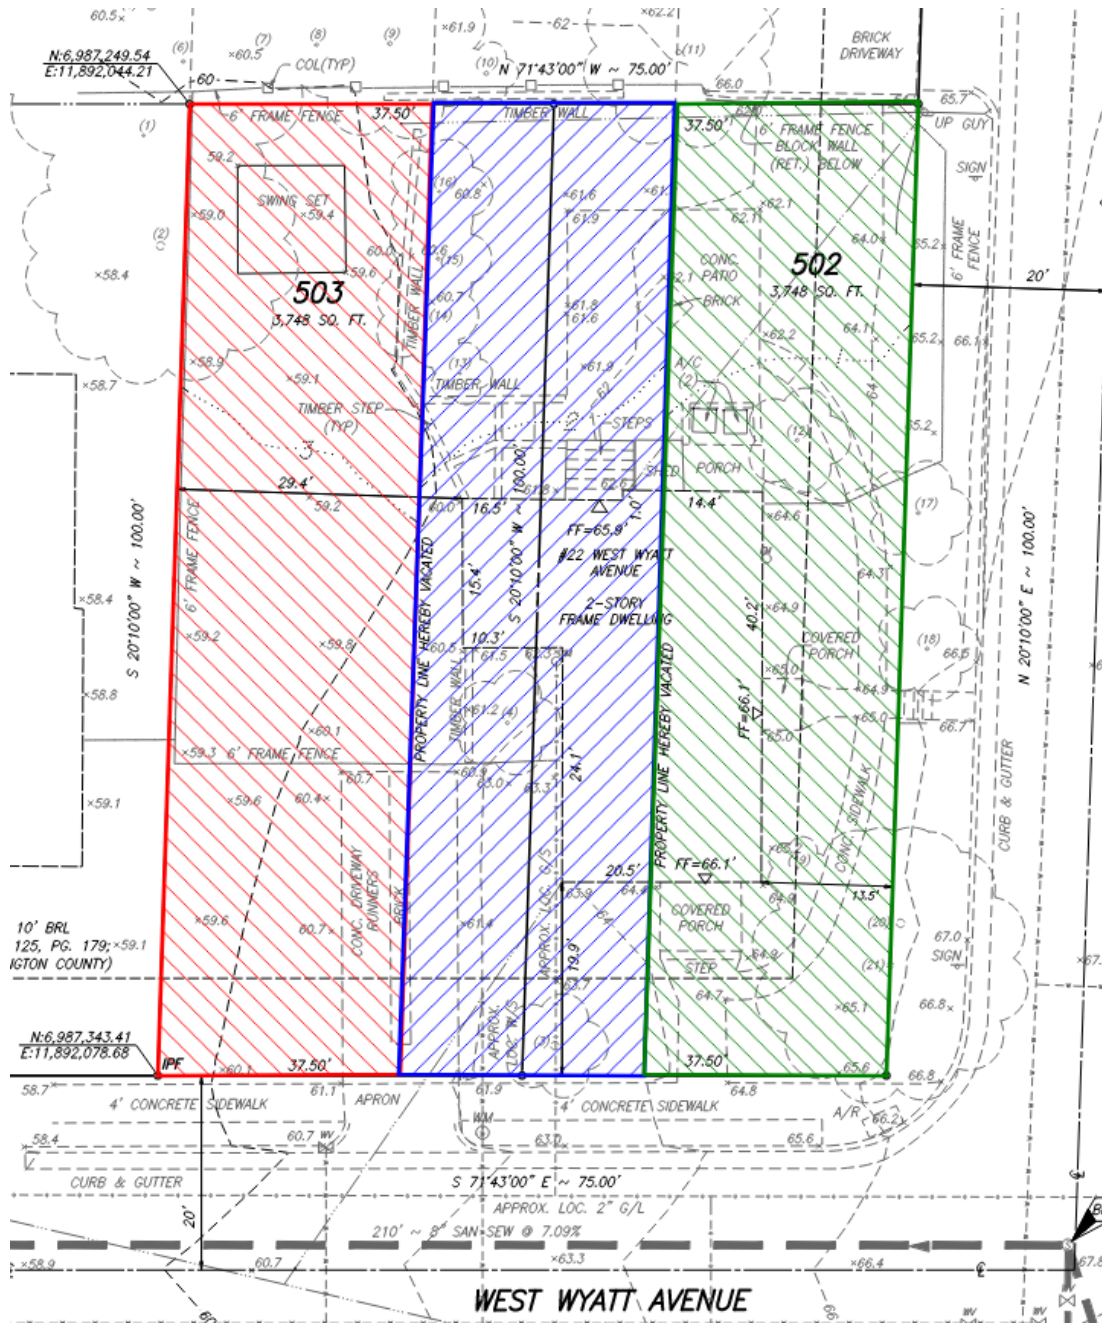

Figure 3 – Existing Lots 1, 2, & 3

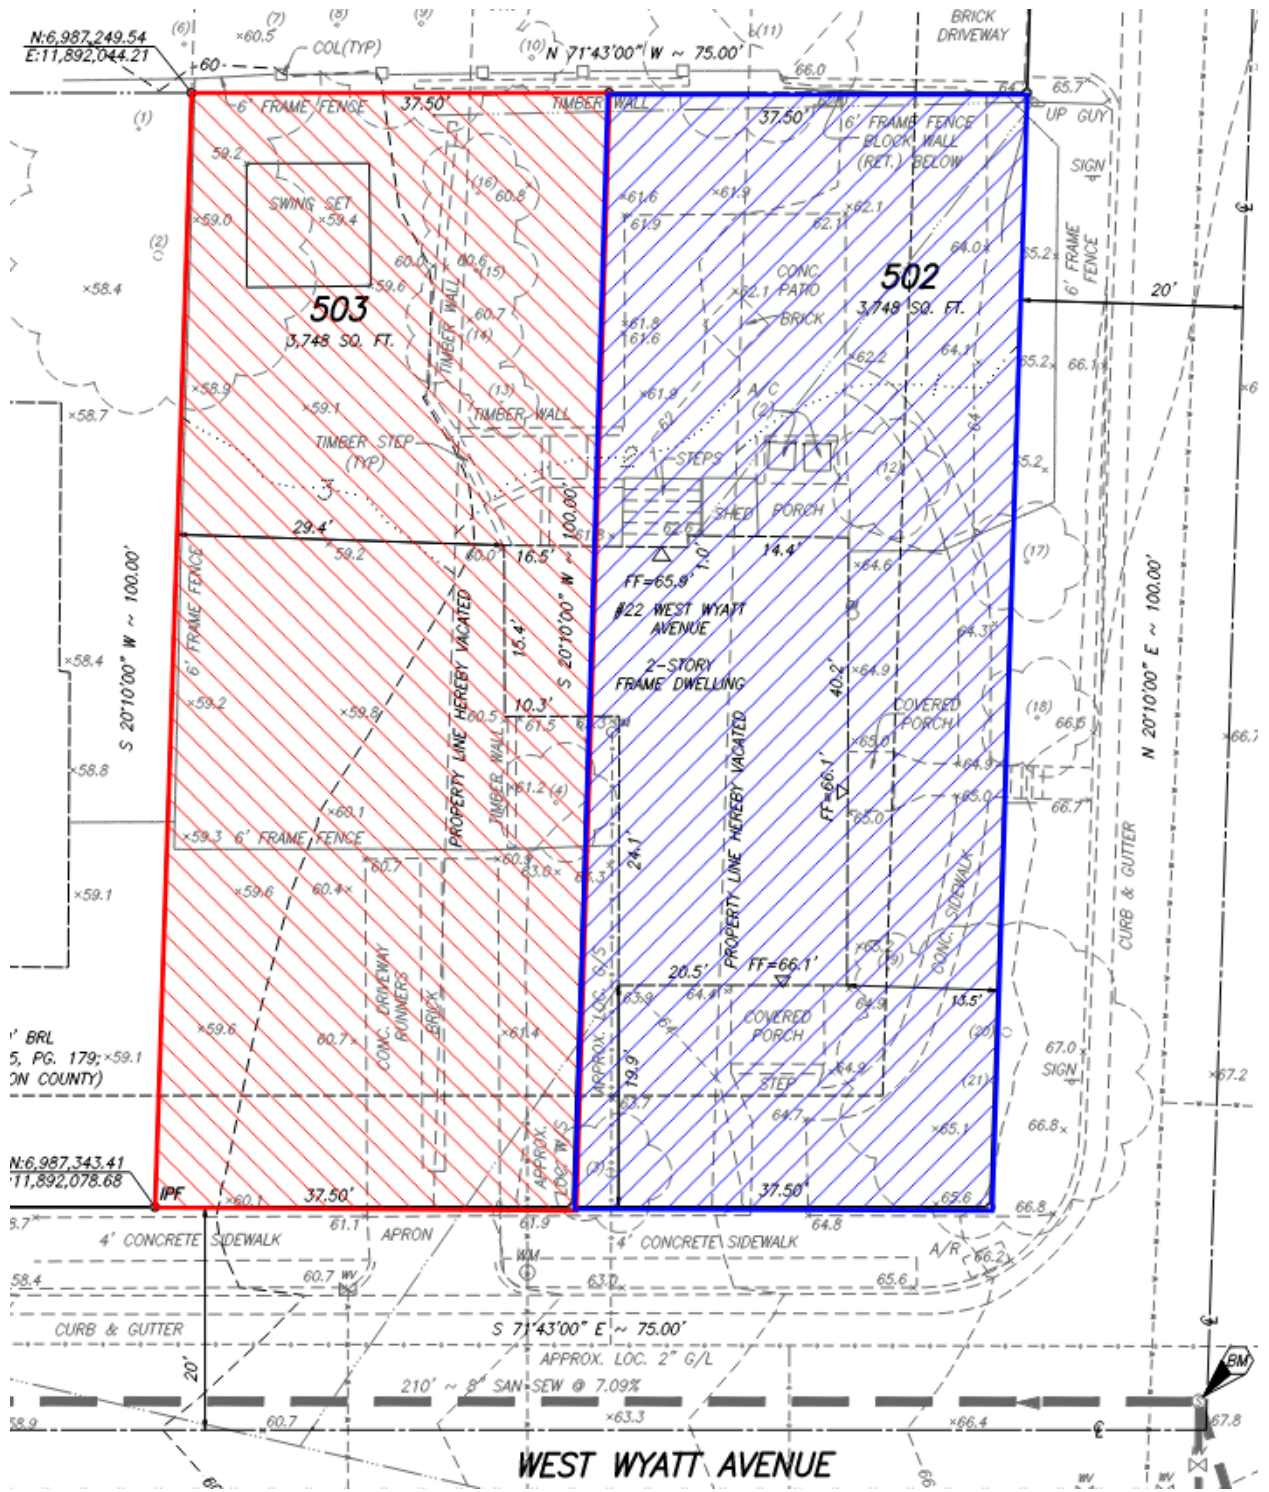

Figure 4 – Proposed Lots (Lot 502 in blue, Lot 503 in red)

ZONING/ MASTER PLAN DESIGNATION

The subject property is zoned R-2-5 Residential and both proposed lots would comply with lot requirements for a semi-detached, two-unit dwelling, as shown in Table 1. Any future development would be required to comply with all applicable provisions of the Zoning Ordinance. Note that staff has consolidated the area of the three existing lots into one subject property in the table below for the purpose of floor area and setback calculations.

Table 1 – R-2-5 Zoning Requirements

	Required/Permitted	Subject Property	Proposed	
		Existing Lots 1, 2, & 3	Lot 502	Lot 503
Lot Size	2,500 Sq. Ft. (Interior); 3,250 Sq. Ft. (Corner)	7,496 Sq. Ft.	3,748 Sq. Ft.	3,748 Sq. Ft.
Width	25 Ft.	75 Ft.	37.5 Ft.	37.5 Ft.
Frontage (Primary)	25 Ft.	75 Ft.	37.5 Ft.	37.5 Ft.
Frontage (Secondary)	N/A	100 Ft.	100 Ft.	N/A
Front Yard (Primary)	21.6 Ft.	19.9 Ft.	Future development required to comply with all bulk and open space provisions.	
Front Yard (Secondary)	14.4 Ft.	13.5 Ft.		
Side Yard (East)	7 Ft.; 1:3 ratio	29.4 Ft.		
Side Yard (West)	7 Ft.; 1:3 ratio	13.5 Ft.		
Rear Yard	7 Ft.; 1:1 ratio	39.7 Ft.		
Floor Area	0.45	~0.16		

The property is located within the Potomac West Small Area Plan Chapter of the Alexandria Master Plan, which designates the property for low-to-medium-density residential uses consistent with the R-2-5 zoning regulations. The proposed lots would comply with the Potomac West Small Area Plan as they would be suitable for low-to-medium-density residential uses and would comply with all R-2-5 zoning requirements for semi-detached, two-unit dwellings.

II. STAFF ANALYSIS

Staff recommends approval of the applicant’s subdivision request. The proposal would create lots that comply with R-2-5 zoning requirements for semi-detached, two-unit dwellings, and all subdivision requirements. The proposed lots would be substantially the same character as the lots in the original subdivision in terms of lot shape, area, width, and frontage, as required by Section 11-1710(B). Staff analysis follows.

COMPLIANCE WITH SUBDIVISION REQUIREMENTS GENERALLY

Staff determined that the proposed re-subdivision would meet all subdivision requirements established by [section 11-1710](#). Both lots would be suitable for semi-detached, two-unit residential uses and structures permitted by the R-2-5 zone.

COMPLIANCE WITH SUBDIVISION CHARACTER REQUIREMENTS

Several lots within the original subdivision are similar to the proposed lots in lot area, width, and frontage. Many of these lots are developed with semi-detached, two-unit dwellings.

LOT ANALYSIS

Staff's area of comparison includes lots in blocks 2, 3, 16, and 17 in the original subdivision as these lots are zoned R-2-5. Block 1 was excluded because it's zoned RB and blocks 14 and 15 were excluded because they're zoned R-8. The area of comparison is shown in Figure 5, below. The original subdivision today consists of residential properties, including single-unit, semi-detached two-unit, and townhouse dwellings.

Figure 5 – Area of Comparison (subject property in yellow)

Staff considers the following properties outlined in Figure 5, below, as the most similarly situated to the subject property as they front on West Wyatt Avenue.

Figure 5 – Similarly Situated Lots in blue, subject property in red

Table 2, below, shows how the proposed lots would compare to these similarly situated lots in terms of width, frontage, and size:

Table 2 – Lot Analysis

Address	Width	Frontage	Area
Proposed Lot 502	37.5 Ft.	37.5 Ft.	3,748 Sq. Ft.
Proposed Lot 503	37.5 Ft.	37.5 Ft.	3,748 Sq. Ft.
5 W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
5 A W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
6 W. Wyatt Ave.	75 Ft.	75 Ft.	7,500 Sq. Ft.
7 W. Wyatt Ave.	50 Ft.	50 Ft.	4,997 Sq. Ft.
8 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
9 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
10 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
11 W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
12 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
13 W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
14 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.

15 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
16 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
17 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
18 W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
18 ½ W. Wyatt Ave.	25 Ft.	25 Ft.	2,500 Sq. Ft.
19 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
20 W. Wyatt Ave.	75 Ft.	75 Ft.	7,500 Sq. Ft.
21 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
23 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
25 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.
27 W. Wyatt Ave.	50 Ft.	50 Ft.	5,000 Sq. Ft.

Because the proposed lots would be similar in width, frontage, and area to similarly situated lots within the original subdivision, staff considers the proposal to be substantially compatible with established neighborhood character as required by section 11-1710(B). The proposed lots would also comply with the R-2-5 zone requirements for semi-detached two-family dwellings. The R-2-5 zone’s minimum lot size and width requirements ensure that properties within the zone are suitable for low-to-medium-density residential uses as required by the Potomac West Small Area Plan Chapter of the City’s Master Plan.

NEIGHBORHOOD OUTREACH AND COMMENTS

Staff notified the Del Ray Citizens Association (DRCA) on December 2, 2024.

Staff attended DRCA’s Land Use Committee meeting on December 4, 2024. Those in attendance asked questions about the process and expressed concerns about compatibility of the proposed dwellings, the evolution of Del Ray’s housing stock generally, and stormwater runoff. One resident on West Wyatt Avenue expressed support for the request.

Staff received a letter of support from a neighboring resident at 15 West Wyatt Avenue on December 6, 2024.

III. CONCLUSION

In summary, staff finds that the proposal would comply with all subdivision requirements. Subject to the conditions contained in Section IV of this report, staff recommends approval of the re-subdivision request.

IV. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes, ordinances, and the following conditions:

1. The final subdivision plat shall comply with the requirements of Section 11-1700 of the Zoning Ordinance. (P&Z)
2. The applicant shall covenant that the existing dwelling shall be demolished prior to: (a) City approval of any building permits to construct any new dwellings or structures on the subject property or (b) sale of the subdivided lots to individual owners. This covenant shall expire when the subdivided lots are consolidated or the existing dwelling is demolished. This covenant shall be included in the recorded deed of subdivision and the final subdivision plat. (P&Z)

STAFF: Catie McDonald, Urban Planner
 Tony LaColla, AICP, Division Chief, Land Use Services
 Sam Shelby, Principal Planner

Staff Note: This plat will expire 18 months from the date of approval (December 5, 2022) unless recorded sooner.

V. CITY DEPARTMENT COMMENTS

Legend: C - code requirement R - recommendation S - suggestion F - finding

Transportation & Environmental Services:

R-1 Prior to Final plat submission:

- a. Please include a plat title that includes (at a minimum): proposed lot numbers, proposed subdivision name (being a new and unique name*), being a subdivision of existing lot #s, existing Subdivision name, and existing subdivision DB/PG. *"XXXX" is among the options available to applicant, for instance. **(Survey)**
- b. Please include some form of annotation pertaining to the existing lot lines. For instance, at least a 'distance tie' (and perhaps using the same dotted font as the lot numbers to be vacated) along the northerly and southerly lines of Subdivision, between the existing lot lines. **(Survey)**

[Learn why this is important](#)

Hi all-

Thank you for the session the other night about the project at 22 West Wyatt. I shared my thoughts on the project then, but I wanted to put them down here for the record. I will send a copy to 311 as well.

Not that it seems to matter, given the proposal is by right, but I am in favor of the project. The plan of creating two more modest units instead of another huge one is extremely encouraging. The city needs more housing, so right away 2 vs. 1 is a win, if small (and it does NOT need another McMansion painting the outside edges of the zoning guidelines). Two units are much more likely to fit in with the block, especially given the immediate presence of townhouses, duplexes, and bungalows. Assuming an effort to follow the Pattern Book (very interesting!), these units should blend well.

I appreciate the project will have impact on the immediate neighbors, and, yes, the construction will be disruptive. The fact is, though, that, in recent years, a significant percentage of houses on the block, including ours, have undergone or is undergoing at least a substantial renovation, if not a total teardown. Other properties have lost space between buildings as well. There really isn't standing to hold this property to account on these grounds. There are also concerns about parking, but I'd suggest this may be a bit of a red herring. I won't say it is easy, but there is space, much more often than not, within a block or so.

In short, this seems to be the kind of project we should encourage - the more so if there are more units - as opposed to overly large single units. I'd suggest DRCA push for more such efforts to the extent it can.

Thank you for your consideration,

-Tim Shaw
