

RESOLUTION NO. 3299

**RESOLUTION TO SUPPORT PROPOSED PROJECT APPLICATION FOR THE
INNOVATION AND TECHNOLOGY TRANSPORTATION FUND (ITTf) GRANT
PROGRAM FOR FY 2026**

WHEREAS, § 33.2-1531 of the Code of Virginia, as amended, established the Innovation and Technology Transportation Fund (ITTf) and requires the Commissioner of Highways to report annually on the use of ITTf funds. The ITTf is funded at \$25 million annually through the High Priority Projects Program; and

WHEREAS, the purpose of the ITTf is to support pilot programs and initiatives focused on high-tech infrastructure improvements in transportation. Its primary goals are to enhance mobility, reduce congestion, improve safety, provide real-time travel data, and strengthen emergency response capabilities across Virginia. To align with this mission, the Virginia Department of Transportation (VDOT) developed the Transportation Technology Plan, which serves as the foundational framework for identifying and prioritizing projects eligible for ITTf funding; and

WHEREAS, VDOT developed a Transportation Technology Plan that aligned its goals and technology strategies with the purpose of the monies allocated to the ITTf. Projects utilizing ITTf monies originate from the Transportation Technology Plan; and

WHEREAS, the City Council of the City of Alexandria desires to submit applications for an allocation of funds up to \$2 million through the ITTf Grant Program for the City of Alexandria, Virginia; and

WHEREAS, up to \$2 million is required to fund Planning and Prototyping the deployment of scalable digital models; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Alexandria:

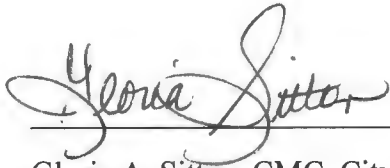

1. The City Council of the City of Alexandria hereby supports this application for an allocation of up to \$2 million through the Innovation and Technology Transportation Fund of Virginia Department of Transportation Program, for FY 2026; and
2. The City Council of the City of Alexandria hereby grants authority for the City Manager to accept this funding, if awarded, and execute all necessary documents that may be required under this program.
