Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)
Dear City Council Members, I am writing to express my enthusiastic interest in serving on the City of Alexandria's Budget and Fiscal Affairs Advisory Committee. As an avid volunteer and longtime Alexandria resident with more than 13 years of professional experience managing budgets, advising policymakers, and building consensus across government and community stakeholders, I am eager to contribute my expertise to strengthening the City's fiscal planning and transparency by providing recommendations and assisting the Council. I am deeply committed to the Alexandria community. I first moved to Alexandria in 2012 when I was stationed at Joint Base Andrews with the Air Force and fell in love with the city and community. Upon completing my tour of duty, I decided to make this area home. Giving back to my community is a true passion of mine as evidenced by my volunteer work as a snow buddy with Volunteer Alexandria, active membership with the Del Ray Citizens Association, and as a foster and volunteer with the Lost Dog and Cat Rescue Foundation. Serving on this committee would allow me to continue giving back by ensuring that our City's budget process remains efficient, transparent, and inclusive of public participation. In my professional career, I have managed multimillion-dollar global programs and formulated, executed, and justified annual budgets at the Central Intelligence Agency, U.S. State Department, U.S. Customs and Border Protection, and the U.S. Air Force. These roles required rigorous analysis of resource allocation, keen attention to budgetary detail, and the ability to distill complex financial issues into clear, actionable recommendations for senior leaders, Congress, and interagency partners. My experience as a legislative advisor has also provided me with a deep understanding of the budget process at the federal level and the importance of ensuring fiscal responsibility while balancing stakeholder priorities. I would be honored to contribute my skills in fiscal management, policy analysis, and collaborative problem-solving to the Committee's work supporting City Council. Thank you for considering my application. I welcome the opportunity to serve my community and the people of Alexandria in this capacity. Warm regards, Ashton B. Davis

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)
Dear Board Members, I've spent my career managing public resources and advancing U.S. programs overseas, and now I want to apply those skills at home. After more than 15 years in international development, including seven at USAID's Office of Transition Initiatives (OTI), I often traveled too much to take on local commitments. With USAID's closure and my graduate studies in Public Administration, I'm eager to serve here in Alexandria and apply my budgeting experience to meaningful work that benefits my own community. Throughout my career, I've managed multimillion-dollar budgets and complex financial portfolios for U.S. government programs around the world, primarily in the Middle East and Africa. Most recently, I oversaw a \$116 million program budget for Sudan, led budget planning and forecasting, and ensured compliance with federal appropriations law and audit standards. My background combines fiscal management, performance oversight, and program evaluation, skills that I believe align closely with the responsibilities of the City's Budget and Fiscal Affairs Advisory Committee. I hold a master's degree in Conflict Studies and Human Rights and am currently pursuing an Executive Master of Public Administration at Syracuse University's Maxwell School, where I've focused on budgeting, financial management, and local governance. These studies have deepened my understanding of how fiscal priorities shape community outcomes, knowledge I'm eager to apply here in Alexandria. In 2022, my husband and I put down roots in the Potomac Yard neighborhood, where we now live with our two dogs. Being part of this community has strengthened my desire to engage locally and give back to the city we now call home. If selected, I will bring a strong commitment to public service, a collaborative spirit, and a deep respect for responsible budgeting and transparent governance. Thank you for considering my application to serve on the Budget and Fiscal Affairs Advisory Committee. Warm regards, Sonya Day

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

Dear Budget and Fiscal Affairs Advisory Committee, I am writing to express my interest in the vacant citizen position on the Budget and Fiscal Affairs Advisory Committee. With a background in finance, coupled with my public sector budgeting experience and community leadership, I am excited about the opportunity to contribute my skills to the work of the committee. In my previous role as a Budget Technician at WSSC Water, I honed my abilities in budget management, analyzing financial reports, and implementing cost-saving measures. My experience has equipped me with a deep understanding of financial management and strategic planning, which I believe will be invaluable to the committee. Beyond my professional experience, I have had the honor of serving as President and Treasurer of Thursday Network, the young professionals' auxiliary of the Greater Washington Urban League (GWUL). In these roles, I led financial stewardship for an organization of nearly 200 members, managing budgets, ensuring fiscal accountability, and driving membership growth. My term as Treasurer strengthened my expertise in nonprofit financial management, while my presidency gave me the opportunity to build strategic partnerships, develop programs, and ensure operational sustainability. Additionally, my current service on the Executive Board of the Greater Washington Urban Leader has deepened my perspective on fiscal governance and the role of financial oversight in advancing equity and community development. These leadership experiences have reinforced my belief in fiscal responsibility as a tool for both accountability and impact. Some highlights of my qualifications include:

- Cost Savings Achievements: Successfully contributed to substantial cost savings through strategic sourcing, including over \$500,000 in fleet standardization and more than \$1,000,000 in IT maintenance cost reductions.
- Financial Reporting and Analysis Expertise: Proficient in preparing detailed financial reports and visual aids, including tables, graphs, and charts, to meet GFOA standards and assist in budget presentations and stakeholder communications.
- Software Proficiency and Training: Skilled in using budget management software such as Qwestica Budget and Oracle Business Intelligence Enterprise Edition (OBIEE), with experience in training end-users and creating complex financial models and forecasts.

My budgeting expertise, combined with my nonprofit leadership and community engagement, aligns well with the committee's aim of ensuring prudent financial management and fostering public trust. I am particularly drawn to this role because of the opportunity to influence community development projects and contribute to fiscal policy transparency. Thank you for considering my application. I am excited about the opportunity to bring my budget analysis skills, nonprofit governance experience, and collaborative spirit to the Budget and Fiscal Affairs Advisory Committee. I am confident that my background and skills make me a strong candidate for this position and that I can make a meaningful contribution to the team. Best, John R. Houston

Summary of Work and Experience

John R. Houston is a purpose-driven finance professional with over a decade of experience in public sector budgeting, nonprofit leadership, and strategic financial analysis. He has managed multimillion-dollar budgets, guided financial compliance efforts, and advised leadership teams on forecasting, variance analysis, and performance monitoring. Currently, John serves as an Equity Trader, where he specializes in translating complex financial data into clear, actionable insights that support strategic decision-making and long-term planning. Previously, he spent seven years with WSSC Water, one of the nation's largest water and wastewater utilities in their Budget Department. In this role he supported the development of multi-year operating and capital budgets, conducted cost forecasting, and led strategic sourcing initiatives that achieved more than \$500,000 in cost savings/reductions. His technical expertise includes Excel, Oracle Business Intelligence, Hyperion, and Questica Budget, tools he has leveraged to streamline processes, build models, and deliver timely reports to internal and external stakeholders. Within the nonprofit sector, John served as Treasurer (2021–2024) and currently as President of Thursday Network, the young professionals' auxiliary of the Greater Washington Urban League. As Treasurer, he strengthened the organization's long-term sustainability by increasing reserves, improving financial reporting, and maintaining a strong current ratio. As President, he now leads a 150+ member 501(c)(3) dedicated to civic engagement, community service, and professional development. John's nonprofit leadership also includes his time as a Fundraising Consultant with Big Brothers Big Sisters of the Greater Virginia Peninsula, where he helped raise over \$100,000 through special events, managed community partnerships, and expanded the organization's visibility through digital outreach. In addition to his finance and nonprofit experience, John is an accomplished political organizer. He managed a successful Virginia House of Delegates campaign, raising \$50,000 and guiding the candidate to victory with 76.8% of the vote, and later served as a Legislative Assistant during the Virginia General Assembly session. He has also held civic leadership roles, including Political Action Chair of the Delta Beta Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. John earned his B.S. in Finance from Hampton University and is currently pursuing the Certified Financial Planner™ (CFP®) designation to deepen his commitment to inclusive financial strategy and economic empowerment.

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am interested in serving on the Budget and Fiscal Affairs Advisory Committee (BFAAC). As an Alexandria City resident and career public servant, I care deeply about the thoughtful stewardship of our City's limited resources. Over the past year, I have attended City Council Legislative Meetings and BFAAC sessions to better understand the City's budget priorities, and I am eager to contribute to this important work. Professionally, I have experience with budget development and fiscal management at both the Virginia state legislature and in the federal government, where I currently support the Cybersecurity and Infrastructure Security Agency's Emergency Communications Division in managing a \$100M+ annual budget. I also serve as Resources Coordinator for the Northern Virginia Running Club, where I have developed the budget, improved financial processes, and strengthened financial accountability. I would welcome the opportunity to apply my skills and experience in service to my community by supporting BFAAC's mission. Thank you for your consideration.

Summary of Work and Experience

I have dedicated my career to public service across the federal, state, and local levels of government, with a focus on fiscal management, policy development, and the responsible stewardship of public resources. In my role as Special Assistant to the Executive Assistant Director at CISA, I support strategic budget planning and program management for a \$75+ million initiative and serve as Contracting Officer's Representative for a \$3+ million contract. I previously led a Joint Program Office in the Executive Office of the President, developing budget priorities and advancing national security communications policy, as well as working at the Virginia General Assembly, where I tracked legislation and supported the biennial budget process. In addition to my government service, I serve on the Board of a local nonprofit running club as Resources Coordinator, where I develop budgets, strengthen financial accountability, and expand fundraising. These experiences have provided me with a practical understanding of budget development, fiscal oversight, and collaborative problem-solving that I would bring to the Budget and Fiscal Affairs Advisory Committee.

Summary of Work and Experience

Current: Mid-Atlantic Permanente Medical Group – Kaiser Permanente, Rockville, MD 2009 – Present Chief Financial Officer: 2023- present Corporate Controller
Regional Finance: 2020 - 2023 Senior Director of Finance: 2016 - 2020 Director of Finance: 2015 – 2016 Senior Manager Financial Planning and Analysis: 2013 – 2015
Manager of Financial Planning and Reporting; 2009 – 2013 Responsible for the Accounting, Payroll, Financial Reporting and Analysis, Operational Finance and Data Science teams. Directly supervising 5 Directors / Managers with accountability for 35 total staff. Increased my scope of management by building and managing teams that deliver measurable process improvements on both Financial and Operational functions. Providing my staff opportunities to grow professionally and technically by fostering an environment of accountability, where innovation is encouraged, and all staff have an opportunity to showcase their work. Working closely with MAPMG CIO and other Executive Leadership analyzing opportunities to partner with emerging companies in new technology around AI and data analytics. Ensuring balance of keeping MAPMG in the forefront of this space along with proper due diligence from a financial return perspective. Key functions and accomplishments: • Accounting: o Ensure proper reporting of monthly results and validation of underlying business expenses in compliance to GAAP. o Oversee filing of all applicable tax returns and successfully addressing any associated audits. o Develop accounting team to improve financial analytics of expense and revenue trends by expanding use of technical tools beyond the Ledger system. Leveraging the use of direct data feeds from the General Ledger and advance reporting tools like Tableau to generate key variance reporting during close process. Allowing us to get in front of financial discrepancies before closing the books. • Payroll: o Address any hurdles that can interfere with ensuring that bi-weekly payroll cycles occur as expected. o Monitor both incentive and merit funding are within budget and MAPMG Board approved guidelines. o Identify areas for improvement. □ Streamline manual time sheet manipulation performed by Payroll coordinators by implementing a scheduled data file transfer and auto balancing features within our timesheet application. Lowering the amount of manual intervention, shifting work to auditing rather than processing. □ Implementing an on-line Payroll application to run both the Incentive and Merit process. Allows managers the ability to manage their cycles without having to maneuver multiple files. Improves customer experience while lowering manual processing and errors. □ Pilot project leveraging the use of bots to address manually intensive processes of reviewing time sheets. This process eliminates the straightforward reviews, opening more time for auditing. □ Leveraging technology and process improvements results in building scalability. Payroll staff headcount has remained flat while overall total employees and associated transactions have increased by over 70%. • Financial Analysis functions: o Financial Reporting and Analysis □ Managed the development of a proprietary on-line Budget platform that allows for a real-time budget environment. Provides instant forecasts, accurate documenting and tracking of approved budget changes, and pushed visibility and accountability to budget owners. □ Created an extensive relational database model that is leveraged to implement the tracking of clinical initiatives. Allows the accounting of both investment costs and potential savings. □ Reengineered all monthly reporting to an on-line platform using Tableau software. Allows budget owners to view results in detail, providing true visibility and accountability of results. □ Development of staffing models using visit volume, census, incorporating cancellations and appointment types applied to membership projections in establishing staffing budget for Physicians. o Operational Analysis □ Reporting and analytics specifically around external Professional Referrals and Hospital expenses. Directed Operations Analytics team to build: • Return on investment reporting and opportunity tracking to support expansion of Advance Care at Home (ACAH) program. Identifying areas that are slower to adapt ACAH helps expedite tactics for growth of program census. • Identification of real-time patient admissions at non-Core hospitals to highlight where active KP interaction did not occur. Intent is identifying possible repatriation or observation discharge more promptly, reducing length of stay. • Development of tracking tool that provides scenario planning to reflect cost changes of moving census to new potential core hospital. Applying weighted costs at a line of business and bed type level. Allows for more prompt execution of hospital negotiations. • Data Science o Directed use of Data Science team into key projects that have tangible return of operational improvements and financial returns. Include: □ Adapting a predictive Serious Ill model to launch Palliative Care program in the region and incorporate Case Managers to more quickly address these members by providing specific population to work with. □ Building unbiased data driven analytical models that measure effectiveness of care management initiatives. Including Diabetes prevention, Pharmacy reconciliation, case management performance, hospital admissions / Primary Care management. Results of analysis are crucial to making timely decisions on whether to extend or pivot away from initiatives. □ Analytical analysis measuring utilization of external services from new members help direct intervention programs at a more detailed level to help new members navigate KP. Resulting in lower use of external services and improve member satisfaction.

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

Dear Selection Board, I am writing to express my strong interest in joining the Budget and Fiscal Affairs Advisory Committee (BFAAC). With a passion for financial planning and a commitment to fostering fiscal responsibility, I am eager to contribute my skills and experience to support the committee's mission of improving Alexandria's budget procedures and processes. Through my personal and professional experience, I have developed a solid foundation in budgeting and fiscal oversight. As a member of the budget committee of my former condo board, I helped to manage a multi-million dollar budget. And as program manager for a major Department of Defense (DoD) project, I conducted oversight of multiple Military Departments spending of approximately \$50 million per year, clarifying reporting of fiscal execution and outcomes and ensuring all relevant stakeholder concerns were adequately addressed. Based on that success, I have now been appointed program manager for another DoD project with a projected budget of approximately \$120 million. These experiences have honed my ability to analyze complex financial data, collaborate with diverse stakeholders, and inform budgetary decisions in alignment with organizational goals. I am deeply committed to transparency, accountability, and community impact. I believe these principles are essential to the work of the BFAAC, and I am excited about the opportunity to contribute meaningfully to its initiatives. My goal is to bring a thoughtful, detail-oriented, and collaborative approach to the committee's discussions and decisions. Thank you for considering my application. I would be honored to bring my expertise and enthusiasm to the BFAAC and look forward to the possibility of contributing to its important work. Very sincerely, Paul W Taylor
