Clarification of Potential Conflict of Interest

As a result of an email exchange with Vice Mayor Justin Wilson last week, I again contacted the National Park Service ethics counselor to clarify my understanding of any potential conflicts of interest relative to serving on the Old and Historic District Board of Architectural Review. If selected by City Council to serve, I shall recuse myself from all matters that involve the National Park Service. This approach follows the recommendation and current practice of Vice Mayor Wilson and I very much appreciate his help on resolving this concern.
