

City of Alexandria, Virginia

MEMORANDUM

DATE: APRIL 24, 2015

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

THROUGH: MARK B. JINKS, CITY MANAGER *E. [initials]*

FROM: MORGAN ROUTT, ACTING DIRECTOR, OFFICE OF MANAGEMENT AND BUDGET *MR*

SUBJECT: BUDGET MEMO #32: PRELIMINARY ADD/DELETE LIST

The purpose of this memorandum is to provide City Council with a list of potential budget adjustments for consideration in the preliminary add/delete work session on Tuesday, April 28th.

The City Manager presented the proposed operating and capital budgets to City Council on Tuesday, March 3rd. City Council is scheduled to adopt the final budgets on Thursday, May 7th. City Council may amend the proposed budget through the add/delete process. Items to be considered through add/delete must be sponsored by at least three Council members (an initial sponsor and two co-sponsors) and have been the subject of a budget memorandum, formal information request, budget work session discussion or public hearing discussion.

Budget Memo #26 identified a set of budget adjustments that included \$1.30 million in additional revenues and \$3.08 million in expenditure reductions for a total of \$4.38 million in additional resources available for the approved budget.

The following is a summary of items submitted by Council members eligible for consideration through the add/delete process. Copies of each individual proposal are attached.

The following table contains a list of items submitted with the co-sponsorship of the Mayor and members of City Council.

OMB COMMENTS:

- **Available Sources (BM #26):** Revenue re-estimates (\$1.3M), debt service savings from refunding (\$250k), WMATA operating savings (\$600k), and contingent reserve reduction (\$130k) are considered on-going sources available in the out-years. The capital project savings (\$2.1M) are one-time sources of funds. Based on initiatives that have received unanimous sponsorship, there is a \$380,000 surplus in FY 2016 but an estimated shortfall in future fiscal years.
- **Operating and Capital Impacts:** The proposed use of operating funds exceed available resources, so a portion of operating adds would come from reduced cash funding for capital projects.
- **Law Library (BM #24):** Assuming \$50k would be available from fee revenue for materials and collections, the Library would hire one part-time librarian (\$29k) to staff opening for 20 hours per week starting in September and hire a contractor (\$31k) to evaluate and catalog portions of the collection. The Law Library would remain in its current location.
- **Patrick Henry Recreation Center (BM #08):** Planned debt issuance of \$700k in FY 2016 would be deferred until FY 2017 with no impact on the capital project budget and a one-time operating budget debt service savings of \$60,000.
- **Maury Schoolyard (BM #10):** The specific use of funding needs to be determined. The item is proposed to be placed in Contingent Reserves pending Alexandria City Public Schools (ACPS) adoption of a plan and Memorandum of Understanding with Recreation, Parks and Cultural Activities (RPCA).
- **TIP Restoration (BM #11):** There is a policy choice: (1) Restore the previously funded TIP operating and capital projects and programs in FY 2016 but continue to use TIP funding for

WMATA operating in the out-years, (2) restore the previously funded TIP operating and capital projects and programs in all years, resulting in a larger WMATA operating gap in FY 2017 and beyond, or (3) leave FY 2017 as TIP WMATA funding as a to-be-determined item to be addressed during the FY 2017 budget process.

In addition to the items listed above, there are four items that were not unanimously sponsored by City Council but were sponsored by the required three or more members. They are highlighted below in grey.

OMB COMMENTS:

- **Available Resources (BM #26):** The addition of these items to the unanimously approved list exceeds the amount of available resources by \$530,000.
- **Alive Alexandria (BM #30):** This item was the source of a recent budget memo request but not previously discussed in the budget process.
- **DASH Bus (BM #23):** This item would need to use a portion of the funding already allocated to fund the unanimously sponsored items (\$660,000 from the \$1.25 million King/Quaker/Braddock CIP project savings).
- **Rent Relief for Seniors and the Disabled:** This item was not addressed as a budget memo or discussed in a work session or public hearing. It was the subject of a Call.Click.Connect response.
