Statement of Interest

****Statement of Interest for Board Position with the Alexandria Redevelopment and Housing Authority (ARHA)**** Dear Members of the City Council, I am writing to express my strong interest in serving on the Board of Commissioners for the Alexandria Redevelopment and Housing Authority (ARHA). With a Master's degree in Engineering and professional experience in the real estate sector, I am eager to bring my technical knowledge and practical experience to support ARHA's mission of providing quality public housing for lower-income families in Alexandria. While I do not have direct experience in public housing or redevelopment authorities, my background in engineering and real estate has equipped me with a unique skill set that I believe would be beneficial to ARHA. My engineering education has provided me with a solid foundation in problem-solving, project management, and data analysis, all of which are crucial in overseeing and guiding housing development projects. Additionally, my work in real estate has given me firsthand insight into property management, market trends, and the complexities of housing development, which are directly relevant to the work of ARHA. I am deeply committed to community service and passionate about ensuring that all residents of Alexandria have access to safe, affordable, and dignified housing. Serving on the ARHA Board would be an opportunity for me to contribute to the well-being of our community by leveraging my skills and experiences to help address housing challenges and promote sustainable development. I am particularly drawn to ARHA's commitment to adhering to state and federal regulations while striving to meet the needs of lower-income families. I am confident that my analytical abilities and attention to detail will be valuable in navigating the regulatory landscape and ensuring that ARHA's projects meet the highest standards of quality and compliance. Moreover, my collaborative nature and strong communication skills would allow me to work effectively with other board members, ARHA staff, and the broader community. I am excited about the prospect of contributing to strategic planning, policy development, and decision-making processes that will enhance ARHA's impact and support its long-term goals. In conclusion, I am enthusiastic about the opportunity to serve on the ARHA Board and contribute to the organization's vital work. I am confident that my background in engineering and real estate, combined with my dedication to public service, would make me a valuable addition to the board. Thank you for considering my application. I look forward to the possibility of contributing to the Alexandria Redevelopment and Housing Authority's mission. Sincerely, Kevin Jackson
