

ORDINANCE NO. 5345

AMENDED ORDINANCE NO. 5293

AN ORDINANCE TO PREVENT THE SPREAD OF THE NOVEL CORONAVIRUS, SARS-CoV-2, AND THE DISEASE IT CAUSES, COMMONLY REFERRED TO AS COVID-19 BY REQUIRING FACE COVERINGS IN CERTAIN INDOOR AND OUTDOOR LOCATIONS.

WHEREAS, on March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus, SARS-CoV-2, and the disease it causes, commonly referred to as COVID-19, a pandemic (for reference in this ordinance, this virus and the disease that it causes are referred to as “COVID-19”); and

WHEREAS, on March 12, 2020, Governor Ralph S. Northam issued Executive Order Number Fifty-One (“EO 51”) declaring a state of emergency for the Commonwealth of Virginia because of the COVID-19 pandemic; EO 51 acknowledged the existence of a public health emergency arising from the COVID-19 pandemic and that it constitutes a “disaster” as defined by Virginia Code § 44-146.16 because of the public health threat presented by a communicable disease anticipated to spread; and

WHEREAS, on March 14, 2020, effective at 5:00 p.m. and extending through June 10, 2020, at 5:00 p.m., or as may be amended by the City Council, the City Manager, in his capacity as Director of Emergency Management, issued a Declaration of Local Emergency applicable throughout the entire City of Alexandria, Virginia, pursuant to authority granted pursuant to City Code Section 4-3-5, Virginia Code Sections 44-146.21 and 15.2-1413, which City Declaration was unanimously consented to the by the City Council on March 14, 2020, pursuant to City Resolution No. 2928, as required by applicable law; on June 9, 2020, such Declaration of Local Emergency was extended by the City Manager and confirmed by the City Council through September 30, 2020; on September 22, 2020 such Declaration of Local Emergency was extended by the City Manager and confirmed by the City Council through March 31, 2021; on March 23, 2021 such Declaration of Local Emergency was extended by the City Manager and confirmed by the City Council through September 30, 2021.

WHEREAS, since Governor Northam issued EO 51 on March 13, 2020, he has issued several more Executive Orders jointly with Orders of Public Health Emergency issued by M. Norman Oliver, MD, MA, State Health Commissioner, pertaining to COVID-19; and specifically issued Executive Order Seventy Two addressing requirements for face coverings in certain indoor and outdoor locations (EO 72); and

WHEREAS, on September 12, 2020 City Council adopted Ordinance No. 5293 requiring face coverings in certain indoor and outdoor locations which was effective by its terms on October 20, 2020. The reasons and justifications for taking such action are described in detail in that adopted ordinance; and

WHEREAS, the City of Alexandria is an urban jurisdiction situated in the metropolitan Washington, DC region with a compact downtown area that attracts visitors from around the region, and across the country and world, and includes workers who live outside the City and

residents who regularly visit other jurisdictions, making it particularly susceptible to the spread of COVID-19; and

WHEREAS, on April 27, 2021 the Centers for Disease Control (CDC) issued new guidance for face coverings in indoor and outdoor locations given the number of people in the country who have been vaccinated against COVID-19 and the decrease in the number of new COVID-19 cases. On April 29, 2021, Governor Northam issued amendments to Executive Order Seventy-Two which revise the face covering requirements to be consistent with the CDC’s most recent guidance. Since the CDC will continue to issue guidance as the pandemic response evolves, the City Council would now like to also amend Ordinance 5293 to allow it to evolve with the Governor’s continued executive orders dealing with face coverings.
