I have been on the ARHA Board of Commissioners for 2+ terms, holding the position of Chairman and Vice-Chairman during this tenure. My service as Chairman ended this past summer (2020) after 4+ years in this role. In my roles as Chairman and Vice-Chairman, I also served on the joint committee that was comprised of multiple interested parties, including other community volunteers, members of Council, and city staff.

**Interests & Experiences**

**Statement of Interest/Why You Should Be Appointed**

I originally applied for appointment to the ARHA Board of Commissioners because of my vast real estate experience and my interest in offer this to the community. My interest in continuing to serve in this capacity has evolved significantly since my original application. While I still desire to contribute my real estate knowledge and experience to ARHA and our city as we seek to serve those most in need, I am also interested in continuing to work with my fellow Commissioners, ARHA staff, city staff, and Council to ensure that we are positioning the Authority to be successful for decades to come. This is a highly strategic initiative that requires very close collaboration with city leaders, city staff, and other members of the Alexandria community. The progress I have witnessed during my tenure is inspiring and provides added motivation to my interest in continuing to serve. The cohesiveness, creative thinking, and variety of perspectives of our Board is yielding great results and I believe that it would be valuable to my community for me to continue serving as a member of this Board. While the progress of the past several years has been great, we are just getting started. Therefore, I am requesting the honor of being appointed to serve on the Alexandria Redevelopment and Housing Authority for another term.

**If you have served more than two consecutive terms on this board, please state the specific qualifications you possess which merit consideration for continued service:**

During my tenure, ARHA has transitioned in many ways. We have done a new tax credit development, we completed an extensive search for a new Executive Director and on-boarded a new leaders, we have built stronger bridges with staff and in the communities that we serve, and we have developed a strategy around the management of our assets and future redevelopment. The past two years have seen the most significant change and I believe that my fellow commissioners would validate that I have been a valuable member of the team during this time. Further, I served as Chairman during this time and the insight gained from this role, as well as my engagement with the Mayor, John Chapman, city staff, and other community leaders will help our new Chairman and Vice-Chairperson and our Executive Director be successful for years to come.

**Interests & Experiences**

**Statement of Interest/Why You Should Be Appointed**

I have been serving in various volunteer positions for Alexandria non-profits that provide for our lower-income population. In particular, I have served as a board member and program volunteer with Community Lodgings since 2009. I serve because I believe in the mission to provide affordable housing and youth education to those in need. Given my experience with Community Lodgings at the local level and my professional background working with the federal government, I believe I bring skills, experience and passion to this role. I hope to be selected for the board that oversees redevelopment and housing.

## Statement of Interest/Why You Should Be Appointed

---

I would like to apply for the vacancy on the Redevelopment and Housing Authority for the City of Alexandria. I am very much aligned with the goals and focus of the Authority, and I would like to use the skills gained in my time as an executive in Real Estate, Construction, and Technology to help our city reach its objectives. There is a dire need to create more affordable housing in our city, and local government can ease the path to satisfy these housing needs. The City can accelerate affordable housing production by removing barriers. At minimum, our government should make it easier for qualified groups to develop affordable housing by 1) expediting entitlement, particularly near mass transit, 2) expanding the financing the application cycle to at least twice annually, 3) expediting construction permits, and 4) waiving impact and other fees related to affordable housing projects. These are low-hanging fruits that can be implemented at no added financial burden. I have experience in developing plans, policies, and strategic solutions. My construction and real estate development experience, administrative experience, and proven leadership skills will prove useful to the Authority and the community. Moreover, having led the construction of mixed income developments in Flint, Michigan, I have experience in this field. I get along well with others and thrive on finding resolutions to problems. I am confident that these qualities together with my commitment to work will be an asset to the Redevelopment and Housing Authority. Some of my personal achievements in my professional capacity, that I can bring to the Redevelopment and Housing Authority, are as follows: Decision making skills and understanding of city policies. Over 20 years of experience in construction and real estate development. Offer a broad knowledge of programs, and implementation strategies. My enclosed resume will provide you with more details regarding my qualifications and experience. I know that I can bring much benefit with my experience, educational qualifications and skills and I look forward to putting these towards a good cause. Please contact me by phone or email anytime to set up an online meeting during these difficult social distancing times. I look forward to hearing from you and thank you for your time. Respectfully, Rabih Zahnan
