

District 12 Overnight Parking Restriction Petition

We, the undersigned, are residents of Lincolnia Hills in the City's West End or of communities that surround Lincolnia Hills. While we do not live on the Lincolnia Hills streets included in the District 12 Overnight Parking Restriction request, we have encountered the parking congestion on those streets as we drive through them at night. We agree that this parking congestion has created hazardous driving conditions and fully support the Lincolnia Hills/Heywood Glen Civic Association's request for the establishment of the District 12 Overnight Parking Restrictions.
