

List of Positions to be Vacated on City Boards, Commissions and Committees:

The annual/attendance reports include the number of meetings held by each group during the period, the number of persons who did not meet the attendance requirements, and a listing of the members who attended less than 75 percent of the meetings. The list below is a list of individuals who did not meet the attendance requirements. These positions may be vacated the request of City Council because of lack of attendance and the vacancy advertised.
