

# T.C. Williams High School Minnie Howard Campus Swimming Pool

## Option 4

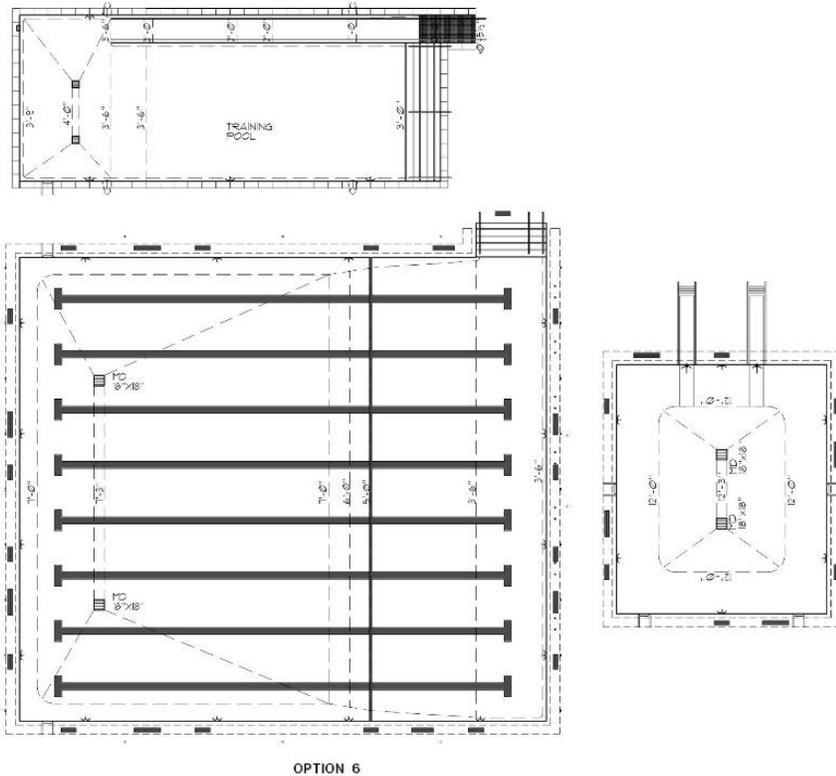

### Description:

- Two Pools- an 8-Lane x 25-Yard pool with integral diving well and an all-shallow training pool
- Roughly 6,100 square feet and 1,500 square feet
- Depths 3'-6" – 12'-6" (lap pool) and 0' – 4'-0" (teaching pool)
- Potential for two 1-meter springboards or a 1-meter springboard and 3-meter springboard in lap pool and all-deep water polo
- Separate teaching pool allows for a competitive / athletic pool and an all-shallow warm-water teaching pool

# T.C. Williams High School Minnie Howard Campus Swimming Pool

## Option 6

### Description:

- Three Pools- an 8-Lane x 25-Yard pool, an all-deep diving pool, and an all-shallow training pool
- Roughly 5,100 square feet, 1,200 square feet and 1,500 square feet
- Depths 3'-6" – 7'-0" (lap pool), constant 12'-6" (diving pool) and 0' – 4'-0" (teaching pool)
- Potential for two 1-meter springboards or a 1-meter springboard and 3-meter springboard in diving pool
- Separate teaching and diving pools allow multiple sports and activities to occur in optimal depths and temperatures
- Largest footprint, capital costs, and operations costs
